City Services Update

City of Gridley

To: Mayor Hall and City Councilmembers
From: Paul Eckert, City Administrator
Subject: City Services Weekly Update
Date: May 1, 2018

Thank you for your leadership and dedication to the Gridley community!

This Weekly Update is intended to provide useful and timely updates to the Gridley Community, Visitors, our Elected Officials, and our City Coworkers. We regret if we have inadvertently omitted useful items from this report. As always, your input and guidance are appreciated. Please send any response to me directly and do not "copy all."

City Administrator/City Council/Information Technology

- Residential Construction Increases – The Eagle Meadows Housing Development continues to construct new homes at the fastest pace since the boom years. They are currently completing 8 homes and are now processing building permits for an additional 10 homes. The remaining 17 lots in the Heron Landing community were recently acquired and new home designs are underway. There are also three in-fill residential construction projects currently underway.
- New ARCO AMPM and Car Wash – Building permits are currently being issued with site development work expected to begin in June.
- Economic Development - The City Administrator is currently working with the State Economic Development Office, congressional representatives, local economic development leaders, site selectors, and property owners, regarding the marketing of the Cannery area properties.
- Preliminary Operating Budget – The FY 18-19 Citywide Operating budget will be developed and shared with the City Council and public over the next 6 weeks. Finance Director Juan Solis recently provided the City Council a Mid-Year Financial Update for the City Council and public.
- Community Clean-up and Dump Day – A community clean-up and dump day is set for June 2nd. The drop off location will be at the Cannery. Limited pick-up services by City staff will be provided to the elderly and disabled. The event is limited to Gridley residents only.
- Highway 99 and Cherry Street – The pedestrian crossing improvement project is expected to be completed in Fall.
- Annual Red Suspenders Event – City staff continues to actively work with the Gridley Chamber of Commerce Red Suspenders Day Committee. The Committee is planning for the May 19th annual Red Suspenders Day event.

Engineering/Planning/Building/Code Enforcement

- Engineering Update - City Engineer Trin Campos is coordinating our Team efforts for sewer, water, and road grant funding applications. Trin's also been active with several new projects and continues to focus on developing plans for street improvements.

Finance

- The Finance Department is active with the development of a wide array of budget development activities; grant responsibilities; payroll and benefits improvements; worker's compensation cases; and organization of all work areas and file systems. Emphasis will be placed on complying with the City's records retention policy.

- The Finance Department, Information Technology, City Administrator, and Electric and Public Works Leadership are currently working to improve our utility billing processes.
- Feather Flyer Transit Services monthly update follows:

Electric Utility

- Gridley 12kV maintenance – Crew members completed an afterhours project to the 1103 north circuit that had experienced issues during a high wind event last winter. The project included removal of a section of neutral conductor no longer used in the distribution system, and relocating the remaining conductors to allow clearance during high wind events, upgrades to line materials and the replacement of distribution pole # 685 that was rotten below ground level. The project will ensure system dependability during high wind events in the future. See images below:

- Service Calls – Crews responded to an after-hours substation alarm due to equipment failure at the solar facilities located on Hwy 99. The substation was inspected and the alarm was reset. The NCPA was notified of the incident and repairs were made. All systems worked as designed. Crews were called to the Catholic Church located on Hazel Street for a half power complaint. Crews found a neutral conductor had failed. Crews responded to an after-hours callout to the Little League fields due to lights not working. Crews found all equipment working as designed. Little League President Joe Dewsnup was contacted and informed lights were in working order.
- Contributions - Crews temporarily removed the service conductors to the lights at the Dick Jones ball field to allow the Public Works department to install the mounting brackets for the new shade structure. Crews re-configured little league lights at Kawasaki field. The old configuration was overloading the circuit. At this time all lights are working properly.
- Utility Reads - The Customer Service Technician has generated a repair list of 70 water meters that are not working properly. The repair or replacement of the affected meters will be repaired as time and funding permits.
- Street Lights - Crews installed a new decorative light on Kentucky St.
- Substation and Line recloser Inspections - Weekly Substation Inspections of the Gridley and Biggs Substations were completed. Weekly inspections were completed on the Line reclosers in Gridley.

- Biggs 12 KV Maintenance- Crews replaced Pole # 940 located in the rear easement on Aleut that was found to be bad. Crews relocated Pole #1460 located at Second and E Streets. Crews also replaced Poles #1470 and 1450 located at Second and E streets found to be in poor condition.
- Biggs Service Calls - Crews responded to a request made by Biggs Public Works to disconnect a service on C Street to allow the replacement of a service breaker.

Fire

- T-74 was dropped off in West Sacramento for its annual preventive maintenance. The maintenance includes tests, measurements, adjustments, parts replacement, and cleaning, performed specifically to prevent faults from occurring.
- Emergency responses for the past week are adjacent.
- Fire Volunteers Wanted – If you know of anyone who may want to get involved and make a difference by helping neighbors and friends, please encourage them to become a Gridley Volunteer Firefighter! The City of Gridley is a combination Fire Department with full-time CAL FIRE Firefighters and Gridley area resident Volunteer Firefighters. Our Volunteers meet regularly for training. Training is conducted cooperatively with Butte County Fire and includes all basic firefighting skills: first aid, ladders, breathing apparatus use, hose streams, vehicle extrication, etc. This ongoing training is in addition to the initial basic operations training course. For more information about becoming a Gridley Volunteer Firefighter, go to www.joinbcfd.org and submit a Volunteer Firefighter Interest Form.

2. City Council minutes dated April 2, 2018
3. Adopt Resolution No. 2018-R-009: A Resolution Authorizing the City Administrator to Execute a Deferred Improvement Agreement to Defer the Construction of Sidewalk Improvements Located at 991 Kentucky Street
4. Approval of new Agreement with North Valley Shooters and new rates for Range Users and Boat Ramp Users
5. SB1 Project List to California Transportation Commission for FY 18-19

Item #4 was pulled for discussion.

Motion to approve the consent agenda by Vice Mayor Johnson, seconded by Councilmember Davidson

ROLL CALL VOTE

Ayes: Davidson, Hall, Borges, Johnson

Abstain: Davidson Item #2

Motion passed with one abstention on Item #2

Administrator Eckert introduced Item #4 giving a brief summary of how the Agreement has come before Council, explaining that there was no current Agreement on file as well as no current insurance filed with the City. Subsequent research and meetings led to the Agreement presented tonight that increases the shooting range access card fee as well as the boat ramp access card fee to \$25 per year for City residents and \$50 per year for those outside the City. This Agreement also designates that the North Valley Shooters Association will be handling the access card purchases of their members.

Councilmember Borges stated that he would like to see one universal fee of \$35 per person, whether inside or outside the City, for both the boat ramp and the gun range.

Bill Castillo of Oroville stated that a lot of the maintenance is done by the gun club.

Tony Reis, President of the North Valley Shooter's Association, stated they will also be making changes by combining the boat ramp access and the gun membership on one card with an identifying sticker.

Motion to approve the Agreement with the fee change to \$35

PUBLIC HEARING – None

ITEMS FOR COUNCIL CONSIDERATION

6. Mid-Year Review of the FY 2017-2018 Budget Performance and 2018-19 Budget Schedule Overview\

CLOSED SESSION - None

ADJOURNMENT

With no further items for discussion, Council adjourned at 7:23 p.m. to the next regularly scheduled meeting on May 7.

Paul Eckert, City Clerk

City Council Agenda Item #3
Staff Report

Date: May 7, 2018
To: Mayor and City Councilmembers
From: Dean Price, Police Chief
Subject: Police Vehicle Surplus

X	Regular
	Special
	Closed
	Emergency

Recommendation

Staff respectfully requests the City Council declare the vehicles listed below are surplus assets beyond their useful lives and to have them disposed of per the City of Gridley's surplus procedures.

Unit #	Year	Make	VIN	Mileage	License #
112	2011	Ford	2FABP7BV3BX101730	131,115	1329818
71	2007	Ford	2FAFP71W07X143887	148,970	1208424

Background

The Police Department has two marked police vehicles that need to be surplus. The vehicles are Ford Crown Victoria models with high mileage and inoperative. These vehicles have been well utilized and have provided over seven to ten years of police department use. After an internal evaluation of each vehicle, it has been determined that the cost to benefit of repairing or maintaining the vehicles is not warranted. Therefore, keeping these vehicles in the police fleet would not be prudent. The vehicles do not have enough value to take to auction due to transportation costs over their disposal. Both vehicles have been parted out for other 2011 Crown Victoria's in the police fleet to help minimize repair cost on current vehicles in use. It is recommended that these two vehicles be delivered to DJW Manufacturing of Gridley as salvaged vehicles.

Financial Impact

None.

Compliance with City Council Strategic Plan or Budget Goals

This recommendation is consistent with our ongoing effort to be responsive and transparent regarding all business transactions and financial matters.

City Council Agenda Item #4
Staff Report

Date: May 7, 2018
To: Mayor and City Council
From: Paul Eckert, City Administrator
Subject: Filling of Vacant Councilmember Seat

X	Regular
	Special
	Closed
	Emergency

Recommendation

City staff respectfully recommends that the City Council select one of the following actions in response to the current City Council seat vacancy: 1) City Council utilize a letter of interest and application process and have the remaining Councilmembers appoint a successor to fill the partial term City Council vacancy; or 2) Adopt the attached Resolution stating that the established General Municipal Election date of November 6, 2018 be used to fill the partial term vacancy.

Background

The City Council will consider its options to fill the vacancy resulting from the resignation of Gary Davidson. Mr. Davidson was elected in November 2016, and his term was set to expire in November of 2020. The City Council's options include appointing a Councilmember before June 16, 2018, or adopting a resolution indicating the City Council's intention to use the General Election date of November 6, 2018, to fill the partial term City Council vacancy.

Gary Davidson's resignation on April 17, 2018 created a vacancy on the City Council. (Gov. Code, § 1770, subd. (a).) Government Code section 36512 provides that if a vacancy occurs on the City Council the City Council "shall, within 60 days from the commencement of the vacancy, either fill the vacancy by appointment or call a Special Election to fill the vacancy." (Gov. Code, § 36512, subd. (b).) The special election must be held on the next regularly established election date not less than 114 days from the date the special election is called.

While the City Council could call a special election to fill the vacancy, it would have no legal effect other than to leave the seat vacant until it is filled following the November 6, 2018, election. There are fewer than 114 days until the June 5, 2018 election date, and the next regularly established election date is November 6, 2018. If the City Council desires to leave the seat vacant until the November 6, 2018, election, it could adopt a resolution indicating that it is doing the equivalent of calling a special election to fill the vacancy.

Appointment - The City Council may appoint a successor within 60 days of the vacancy, who would hold office for the unexpired term of the former incumbent. (Gov't. Code Section 36512(b)). The appointed Councilmember would hold office until November 2020, when Gary Davidson's term would have expired.

In making appointments, the City Council has traditionally utilized an application and letter of interest process and then relies upon Roberts Rules of Order for the remaining Councilmembers to decide who will be appointed. The recommended questionnaire, due May 24th, is attached. Under Roberts Rules, more than one person may be nominated until one person receives a majority of votes. The City Council

would therefore vote on the first person nominated, and, if that person does not receive majority votes, the City Council would vote on the second name and so forth until one person receives a majority vote.

Alternative - Leave the seat vacant until the November 6, 2018 election. If the City Council does not wish to immediately appoint a Councilmember to hold office for the duration of Gary Davidson's unexpired term, the City Council can choose to wait to fill the vacancy at the November 6, 2018 election. If so, the City Council should adopt the attached resolution setting forth its intentions.

As is the usual practice, the City Council would later call the City of Gridley General Municipal Election and request the Butte County Board of Supervisors consolidate the City of Gridley General Municipal Election with the Statewide General Election. At this election, one Councilmember would be selected to fill the two-year partial term seat formerly held by Gary Davidson, along with the two four-year seats currently held by Councilmember Ray Borges and Vice Mayor Bruce Johnson, whose terms are set to expire on November 2018. If the City Council wishes to wait until November 6, 2018, to fill the vacancy, staff has prepared a resolution (Attachment 2) for the City Council's consideration.

Financial Impact

An appointment would have no financial impact. Additional costs, if any, to fill the Councilmember vacancy by election on November 6, 2018, are currently being researched.

Compliance with City Council Strategic Plan or Budget Goals

The City Council and City staff are committed to providing effective leadership while providing quality cost effective local government services.
