Senate Bill No. 946

CHAPTER 459

An act to add Chapter 6.2 (commencing with Section 51036) to Part 1 of Division 1 of Title 5 of the Government Code, relating to sidewalk vendors.

[Approved by Governor September 17, 2018. Filed with Secretary of State September 17, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

SB 946, Lara. Sidewalk vendors.

Existing law authorizes a local authority, by ordinance or resolution, to adopt requirements for the public safety regulating any type of vending and the time, place, and manner of vending from a vehicle upon a street.

This bill would prohibit a local authority, as defined, from regulating sidewalk vendors, except in accordance with the provisions of the bill. The bill would provide that a local authority is not required to adopt a new program to regulate sidewalk vendors if the local authority has established an existing program that substantially complies with the provisions of the bill. The bill would apply these provisions to a chartered or general law city, county, or city and county.

The bill would require a local authority that elects to adopt a sidewalk vending program to, among other things, not require a sidewalk vendor to operate within specific parts of the public right-of-way, except when that restriction is directly related to objective health, safety, or welfare concerns, and not restrict sidewalk vendors to operate only in a designated neighborhood or area, except as specified. The bill would authorize a local authority to, by ordinance or resolution, adopt additional requirements regulating the time, place, and manner of sidewalk vending, as specified, if the requirements are directly related to objective health, safety, or welfare concerns. The bill would also authorize a local authority to prohibit sidewalk vendors in areas located within the immediate vicinity of a permitted certified farmers' market and a permitted swap meet, as specified, and to restrict or prohibit sidewalk vendors within the immediate vicinity of an area designated for a temporary special permit issued by the local authority, as specified. A violation would be punishable only by an administrative fine, as specified, pursuant to an ability-to-pay determination, and proceeds would be deposited in the treasury of the local authority.

The bill would require the dismissal of any criminal prosecutions under any local ordinance or resolution regulating or prohibiting sidewalk vendors that have not reached final judgment. The bill would also authorize a person who is currently serving, or who completed, a sentence, or who is subject to a fine, for a conviction of a misdemeanor or infraction for sidewalk vending, as specified, to petition for dismissal of the sentence, fine, or conviction.

Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. (a) The Legislature finds and declares all of the following:

- (1) Sidewalk vending provides important entrepreneurship and economic development opportunities to low-income and immigrant communities.
- (2) Sidewalk vending increases access to desired goods, such as culturally significant food and merchandise.
- (3) Sidewalk vending contributes to a safe and dynamic public space.
- (4) The safety and welfare of the general public is promoted by encouraging local authorities to support and properly regulate sidewalk vending.
- (5) The safety and welfare of the general public is promoted by prohibiting criminal penalties for violations of sidewalk vending ordinances and regulations.
- (6) This act applies to any city, county, or city and county, including a charter city. The criminalization of small business entrepreneurs, and the challenges that those entrepreneurs face as a result of a criminal record, are matters of statewide concern. Further, unnecessary barriers have been erected blocking aspiring entrepreneurs from accessing the formal economy, harming California's economy in the process, and disrupting the regulation of business, which is a matter of statewide concern. Moreover, California has an interest in the regulation of traffic, a matter of statewide concern, whether in ensuring the appropriate flow of traffic or in ensuring the safety of pedestrians on the road or the sidewalk.

(b) It is the intent of the Legislature to promote entrepreneurship and support immigrant and low-income communities.

SEC. 2. Chapter 6.2 (commencing with Section 51036) is added to Part 1 of Division 1 of Title 5 of the Government Code, to read:

51037. (a) A local authority shall not regulate sidewalk vendors except in accordance with Sections 51038 and 51039.

(b) Nothing in this chapter shall be construed to affect the applicability of Part 7 (commencing with Section 113700) of Division 104 of the Health and Safety Code to a sidewalk vendor who sells food.

(c) Nothing in this chapter shall be construed to require a local authority to adopt a new program to regulate sidewalk vendors if the local authority has established an existing program that substantially complies with the requirements in this chapter.

(b) A local authority's sidewalk vending program shall comply with all of the following standards:

(1) A local authority shall not require a sidewalk vendor to operate within specific parts of the public right-of-way, except when that restriction is directly related to objective health, safety, or welfare concerns.

(2) (A) A local authority shall not prohibit a sidewalk vendor from selling food or merchandise in a park owned or operated by the local authority, except the local authority may prohibit stationary sidewalk vendors from vending in the park only if the operator of the park has signed an agreement for concessions that exclusively permits the sale of food or merchandise by the concessionaire.

(i) Directly related to objective health, safety, or welfare concerns.

(ii) Necessary to ensure the public's use and enjoyment of natural resources and recreational opportunities.

(iii) Necessary to prevent an undue concentration of commercial activity that unreasonably interferes with the scenic and natural character of the park.

(3) A local authority shall not require a sidewalk vendor to first obtain the consent or approval of any nongovernmental entity or individual before he or she can sell food or merchandise.

(4) (A) A local authority shall not restrict sidewalk vendors to operate only in a designated neighborhood or area, except when that restriction is directly related to objective health, safety, or welfare concerns.

(1) Limitations on hours of operation that are not unduly restrictive. In nonresidential areas, any limitations on the hours of operation for sidewalk vending shall not be more restrictive than any limitations on hours of operation imposed on other businesses or uses on the same street.

(2) Requirements to maintain sanitary conditions.

(3) Requirements necessary to ensure compliance with the federal Americans with Disabilities Act of 1990 (Public Law 101-336) and other disability access standards.

(d) Notwithstanding subdivision (b), a local authority may do both of the following:

(1) Prohibit sidewalk vendors in areas located within the immediate vicinity of a permitted certified farmers' market or a permitted swap meet during the limited operating hours of that certified farmers' market or swap meet. A "certified farmers' market" means a location operated in accordance with Chapter 10.5 (commencing with Section 47000) of Division 17 of the Food and Agricultural Code and any regulations adopted pursuant to that chapter. A "swap meet" means a location operated in accordance with Article 6 (commencing with Section 21660) of Chapter 9 of Division 8 of the Business and Professions Code, and any regulations adopted pursuant to that article.

(2) Restrict or prohibit sidewalk vendors within the immediate vicinity of an area designated for a temporary special permit issued by the local authority, provided that any notice, business interruption mitigation, or other rights provided to affected businesses or property owners under the local authority's temporary special permit are also provided to any sidewalk vendors specifically permitted to operate in the area, if applicable. For purposes of this paragraph, a temporary special permit is a permit issued by the local authority for the temporary use of, or encroachment on, the sidewalk or other public area, including, but not limited to, an encroachment permit, special event permit, or temporary event permit, for purposes including, but not limited to, filming, parades, or outdoor concerts. A prohibition of sidewalk vendors pursuant to this paragraph shall only be effective for the limited duration of the temporary special permit.

51039. (a) (1) A violation of a local authority's sidewalk vending program that complies with Section 51038 is punishable only by the following:

- (A) An administrative fine not exceeding one hundred dollars (\$100) for a first violation.
- (B) An administrative fine not exceeding two hundred dollars (\$200) for a second violation within one year of the first violation.
- (C) An administrative fine not exceeding five hundred dollars (\$500) for each additional violation within one year of the first violation.

(2) A local authority may rescind a permit issued to a sidewalk vendor for the term of that permit upon the fourth violation or subsequent violations.

(3) (A) If a local authority requires a sidewalk vendor to obtain a sidewalk vending permit from the local authority, vending without a sidewalk vending permit may be punishable by the following in lieu of the administrative fines set forth in paragraph (1):

- (i) An administrative fine not exceeding two hundred fifty dollars (\$250) for a first violation.
- (ii) An administrative fine not exceeding five hundred dollars (\$500) for a second violation within one year of the first violation.
- (iii) An administrative fine not exceeding one thousand dollars (\$1,000) for each additional violation within one year of the first violation.

(B) Upon proof of a valid permit issued by the local authority, the administrative fines set forth in this paragraph shall be reduced to the administrative fines set forth in paragraph (1), respectively.

(b) The proceeds of an administrative fine assessed pursuant to subdivision (a) shall be deposited in the treasury of the local authority.

(c) Failure to pay an administrative fine pursuant to subdivision (a) shall not be punishable as an infraction or misdemeanor. Additional fines, fees, assessments, or any other financial conditions beyond those authorized in subdivision (a) shall not be assessed.

(d) (1) A violation of a local authority's sidewalk vending program that complies with Section 51038, or a violation of any rules or regulations adopted prior to January 1, 2019, that regulate or prohibit sidewalk vendors in the jurisdiction of a local authority, shall not be punishable as an infraction or misdemeanor, and the person alleged to have violated any of those provisions shall not be subject to arrest except when permitted under law.

(2) Notwithstanding any other law, paragraph (1) shall apply to all pending criminal prosecutions under any local ordinance or resolution regulating or prohibiting sidewalk vendors. Any of those criminal prosecutions that have not reached final judgment shall be dismissed.

(e) A local authority that has not adopted rules or regulations by ordinance or resolution that comply with Section 51037 shall not cite, fine, or prosecute a sidewalk vendor for a violation of any rule or regulation that is inconsistent with the standards described in subdivision (b) Section 51038.

(f) (1) When assessing an administrative fine pursuant to subdivision (a), the adjudicator shall take into consideration the person's ability to pay the fine. The local authority shall provide the person with notice of his or her right to request an ability-to-pay determination and shall make available instructions or other materials for requesting an ability-to-pay determination. The person may request an ability-to-pay determination at adjudication or while the judgment remains unpaid, including when a case is delinquent or has been referred to a comprehensive collection program.

(2) If the person meets the criteria described in subdivision (a) or (b) of Section 68632, the local authority shall accept, in full satisfaction, 20 percent of the administrative fine imposed pursuant to subdivision (a).

(3) The local authority may allow the person to complete community service in lieu of paying the total administrative fine, may waive the administrative fine, or may offer an alternative disposition.

(g) (1) A person who is currently serving, or who completed, a sentence, or who is subject to a fine, for a conviction of a misdemeanor or infraction for sidewalk vending, whether by trial or by open or negotiated plea, who would not have been guilty of that offense under the act that added this section had that act been in effect at the time of the offense, may petition for dismissal of the sentence, fine, or conviction before the trial court that entered the judgment of conviction in his or her case.

(2) Upon receiving a petition under paragraph (1), the court shall presume the petitioner satisfies the criteria in paragraph (1) unless the party opposing the petition proves by clear and convincing evidence that the petitioner does not satisfy the criteria. If the petitioner satisfies the criteria in paragraph (1), the court shall grant the petition to dismiss the sentence or fine, if applicable, and dismiss and seal the conviction, because the sentence, fine, and conviction are legally invalid.

(3) Unless requested by the petitioner, no hearing is necessary to grant or deny a petition filed under paragraph (1).

(4) If the court that originally sentenced or imposed a fine on the petitioner is not available, the presiding judge shall designate another judge to rule on the petition.

(5) Nothing in this subdivision is intended to diminish or abrogate any rights or remedies otherwise available to the petitioner.

(6) Nothing in this subdivision or related provisions is intended to diminish or abrogate the finality of judgments in any case not falling within the purview of this chapter.

SEC. 3. The Legislature finds and declares that Section 2 of this act, which adds Section 51038 to the Government Code, imposes a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of Section 3 of Article I of the California Constitution. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest:

The Legislature finds and declares that in order to protect the privacy of a sidewalk vendor with regard to his or her California driver's license or identification number, individual taxpayer identification number, or municipal

identification number, when that number is collected in lieu of a social security number for purposes of the issuance of a permit or business license, it is necessary that the sidewalk vendor's number be confidential, except as provided in this act.

- 13) Requires the proceeds of an administrative fine to be deposited in the treasury of the local authority.

This shall apply to all pending criminal prosecutions under any local ordinance or resolution regulating or prohibiting sidewalk vendors. Any of those criminal prosecutions that have not reached final judgment shall be dismissed.

- 20) Allows a person who is currently serving, or who completed, a sentence, or who is subject to a fine, for a conviction of a misdemeanor or infraction for sidewalk vending, whether by trial or by open or negotiated plea, who would not have been guilty of that offense under this bill had it been in effect at the time of the offense, to petition for dismissal of the sentence, fine, or conviction before the trial court that entered the judgment of conviction in his or her case, as specified.
- 21) Provides the following definitions:
 - a) "Sidewalk vendor" means a person who sells food or merchandise from a pushcart, stand, display, pedal-driven cart, wagon, showcase, rack, or other nonmotorized conveyance, or from one's person, upon a public sidewalk or other pedestrian path;
 - b) "Roaming sidewalk vendor" means a sidewalk vendor who moves from place to place and stops only to complete a transaction;
 - c) "Stationary sidewalk vendor" means a sidewalk vendor who vends from a fixed location; and,
 - d) "Local authority" means a chartered or general law city, county, or city and county.
- 22) Finds and declares that this bill imposes a limitation on the public's right of access to the meetings of public bodies or the writings of public officials and agencies within the meaning of California Constitution Article I, Section 3. Pursuant to that constitutional provision, the Legislature makes the following findings to demonstrate the interest protected by this limitation and the need for protecting that interest: the Legislature finds and declares that in order to protect the privacy of a sidewalk vendor with regard to his or her California driver's license or identification number, individual taxpayer identification number, or municipal identification number, when that number is collected in lieu of a social security number for purposes of the issuance of a permit or business license, it is necessary that the sidewalk vendor's number be confidential, except as provided in this bill.
- 23) Finds and declares all of the following:
 - a) Sidewalk vending provides important entrepreneurship and economic development opportunities to immigrant and low-income communities;
 - b) Sidewalk vending increases access to desired goods, such as culturally significant food and merchandise;
 - c) Sidewalk vending contributes to a safe and dynamic public space;
 - d) The safety and welfare of the general public is promoted by encouraging local authorities to support and properly regulate sidewalk vending;
 - e) The safety and welfare of the general public is promoted by prohibiting criminal penalties for violations of sidewalk vending ordinances and regulations;

- f) This act applies to any city, county, or city and county, including a charter city. The criminalization of small business entrepreneurs, and the challenges that those entrepreneurs face as a result of a criminal record, are matters of statewide concern. Further, unnecessary barriers have been erected blocking aspiring entrepreneurs from accessing the formal economy, harming California's economy in the process, and disrupting the regulation of business, which is a matter of statewide concern. Moreover, California has an interest in the regulation of traffic, a matter of statewide concern, whether in ensuring the appropriate flow of traffic or in ensuring the safety of pedestrians on the road or the sidewalk; and,
- g) It is the intent of the Legislature to promote entrepreneurship and support immigrant and low-income communities.

EXISTING LAW:

- 1) Allows a city or county to make and enforce within its limits all local, police, sanitary and other ordinances and regulations not in conflict with general laws, known as the police power of cities.
- 2) Allows local governments to require businesses operating in their jurisdictions to obtain a license and impose related licensing fees.
- 3) Grants cities and counties the ability to create ordinances regulating or banning sidewalk vending.

FISCAL EFFECT: None

COMMENTS:**1) Background.**

- a) **Sidewalk Vendors.** Sidewalk vendors are individuals that sell goods on streets and sidewalks from carts and other non-motorized conveyances. These vendors engage in business in many cities throughout the state, where they sell food items and other merchandise. Some sidewalk vendors are stationary, while others move from one location to another. Although there is no statewide count, there are an estimated 50,000 sidewalk vendors in the City of Los Angeles. Cities and counties throughout the state have ordinances regulating or banning sidewalk vending. These ordinances impose varying regulations on sidewalk vendors, including, restricting where they can operate, limiting the hours they may operate, requiring them to get permission to operate from nearby businesses, establishing fines and criminal penalties for violations of sidewalk vending ordinances, specifying the maximum number of sidewalk vendor permits issued in the local jurisdiction or within a single block at any given time, and imposing restrictions on stationary vending.
- b) **Existing Street Vending Ordinances.** Some local governments, including the City of Los Angeles, have taken steps to decriminalize sidewalk vending. In early 2017, the City of Los Angeles enacted an ordinance that decriminalized street vending, subjecting vendors only to administrative citations for violations. However, the ordinance did not establish a full regulatory framework. The Los Angeles City Council is currently

debating whether certain neighborhoods should be off-limits to sidewalk vendors, whether limits of two street vendors per block is reasonable, and whether sidewalk vendors must receive the permission of nearby brick-and-mortar businesses, among other issues.

- c) **Criminal Convictions and Immigration Status.** On January 25, 2017, President Trump issued Executive Order 13767 revising the ICE "criminal alien policy," which establishes rules under which unauthorized immigrants are potentially removable because they have been convicted of a crime. This revision significantly broadened the number of immigrants who would be considered a priority for deportation. The executive order prioritizes deportation of individuals who have committed acts that could have been charged as a crime, regardless of whether their actual conviction was criminal. It also prioritizes for deportation an individual who has been charged with a criminal act, but for whom the charge has not been resolved.

Since many cities and counties make violation of their sidewalk vending ordinances a criminal offense, such as a misdemeanor or infraction, sidewalk vendors have been subject to deportation. For example, in October 2017, ICE detained a sidewalk vendor in the City of Rancho Cucamonga after the vendor had been cited for a fourth violation of Rancho Cucamonga's municipal codes, which is a misdemeanor.

- 2) **Bill Summary.** This bill establishes requirements for local regulation of sidewalk vendors, defined as a person who sells food or merchandise from a pushcart, stand, display, pedal-driven cart, wagon, showcase, rack, or other non-motorized conveyance, or from one's person, upon a public sidewalk or other pedestrian path. The bill also specifies a schedule of fines and decriminalizes street vending by modifying the penalties that apply to current and past violations of sidewalk vending ordinances.

This bill would prohibit a local authority (counties and cities, including charter cities) from regulating sidewalk vendors, except in accordance with the provisions of the bill. The major provisions are:

- a) Locals cannot require a sidewalk vendor to operate within specific parts of the public right-of-way and neighborhoods, except in areas that are zoned exclusively residential and where a restriction is related to objective health, safety, or welfare concerns. They also cannot limit the number of vendors, unless the limitation is related to objective health, safety, or welfare concerns;
- b) Locals cannot make sidewalk vendors get approval from a non-governmental entity (i.e. a brick-and-mortar business) before they can sell food and/or merchandise; and,
- c) Local authorities may adopt additional requirements regulating the time, place, and manner of sidewalk vending, such as operating hours, sanitary conditions, business licenses (with restrictions surrounding social security numbers), seller's permit, and so forth.

The bill additionally decriminalizes street vending by providing that:

- a) A violation of a local authority's sidewalk vending program that complies with the bill is punishable only by fines and shall not be subject to infraction or misdemeanor penalties;

- b) Pending criminal prosecutions cannot proceed as infractions or misdemeanors and prosecutions that have not reached final judgement shall be dismissed; and,
- c) Anyone with a conviction against them for sidewalk vending can petition for dismissal of the sentence, fine, or conviction.

This bill is sponsored by the author.

- 3) **Author's Statement.** According to the author, "California's sidewalk vendors are working hard to feed their families and build their businesses, but they are trapped in a legal vacuum, unable to seek a valid business permit and exposed to criminal prosecution. California needs to start treating sidewalk vendors like any small business owner working to make it in our state – not putting more obstacles in their path. SB 946 allows local governments to regulate vendors if they first create a permit process. With Immigration and Customs Enforcement (ICE) threatening to deport any undocumented immigrant, sidewalk vendors are more vulnerable than ever. Last year ICE agents detained a sidewalk vendor and mother of four in Rancho Cucamonga after she was arrested for selling corn. This bill ends criminal penalties for sidewalk vendors statewide and puts them on a path to having a safe and legal business."
- 4) **Arguments in Support.** The American Civil Liberties Union of California (ACLU), in support, writes, "By encouraging local jurisdictions to support and properly regulate sidewalk vending, SB 946 will help protect California's low-income immigrants and workers, promote safe and regulated vending, and create new opportunity for entrepreneurship and economic mobility throughout the state. Tens of thousands of Californians work as sidewalk vendors. For many, including immigrants excluded from the formal economy, sidewalk vending offers a chance to start and grow a business while improving local economies. Studies have demonstrated that sidewalk vending generates millions in local and state tax revenue as vendors buy supplies from local businesses and circulate money within their communities. In many food desert communities, fruit, and vegetable vendors are the only available source of fresh produce. Vendors activate commercial corridors, increase pedestrian traffic, and provide eyes on the street to make neighborhoods safer and more dynamic."
- 5) **Arguments in Opposition.** The League of California Cities, in opposition, writes, "SB 946 still goes too far by restricting a local jurisdiction's ability to regulate time, place, manner, and total number of permitted sidewalk vendors to directly related objective health, safety, and welfare concerns. It is not uncommon for a jurisdiction to regulate commercial activity based on factors other than health, safety, and welfare concerns. For example, many jurisdictions appropriately designate certain areas of the community for particular uses such as medical facilities, office buildings, restaurants, bars, and nightclubs. Under the provisions of SB 946, sidewalk vendors would be regulated differently than other entrepreneurs in the community."

5.04.010 Definitions.

A. Words used in this chapter are defined as follows:

1. "Average number of employees" shall be determined by taking the number of employees of a business who are earning wages for work done in the city during pay periods ending the nearest twelfth of each month as shown by Form DE3 of the State Department of Employment, or other form which may hereafter be adopted for reporting payments due under the Unemployment Insurance Act, for each month of the previous calendar year, adding the same and dividing by twelve. In determining the average number of employees for the year, fractions on one-half or more are to be considered as one whole employee. Fractions under one-half are to be excluded.

(Ord. 565, 1990).

5.04.140 Refunds.

A. No refunds will be made on any amount paid as a license fee except in the case of error on the part of the city in the determination of the amount of the license tax or in the event of double payment for a license.

B. Refunds may be made by the Finance Director, pursuant to the provisions of subsection A of this section; provided that (1) a written claim for the refund, made upon a form provided therefor by the Finance Director stating under penalty of perjury the specific grounds upon which the claim for refund is founded, is filed with the Finance Director within one year of the date the city received the payment of which refund is sought; and (2) the Finance Director is satisfied, on the basis of written business records and other records submitted by the claimant, that the claimant is entitled to the refund under the provisions of subsection A of this section; provided, however, that the Finance Director (or his authorized agent) shall have the right to examine and audit all the books and business records of the claimant in order to determine the eligibility of the claimant to the refund claimed by him; and provided, further, that no claim for refund shall be allowed if the claimant therefor refuses to allow such examination of his books and business cards after request by said Finance Director to do so.

No such statement shall be conclusive upon the city and upon any officer thereof as to the matters there-in set forth, and the same shall not prejudice the rights of the city to recover any amount that may be ascertained to be due from such person in addition to the amount shown by such statement to be due in case such statement should be found to be incorrect. If any person required to make any such statement fails to do so, such person shall be required to pay a license at the maximum rate prescribed in this chapter for the business carried on by such person, and shall be guilty of a violation of this chapter and be punishable therefor as provided in this chapter; provided, however, that in any case where the first license is to be issued for a newly established business, no statement need be made of the amount of receipts or sales or business transacted, or of the average number of persons employed and the minimum rate prescribed in this chapter shall be charged for any newly established business, the amount of license for which is regulated by the amount of receipts or sales or business transacted, or by the average number of persons employed during the first period in which such business is in operation; and provided, further, that the first license for a newly established business for which a minimum license is not fixed by this chapter, shall not be required to be paid until the termination of the license period during which the operation of such business is commenced. Separate licenses must be obtained for each branch establishment or location of the business engaged in, as if each such branch establishment or location were a separate business, and each license shall authorize the licensee to engage only in the business licensed thereby at the location or in the manner designated in such license; provided, that warehouses and distributing plants used in connection with and incidental to a business licensed under the provisions of this title shall not be deemed to be separate places of business or branch establishments.

(Ord. 565, 1990).

Examples of the types of events that would qualify for an exemption under this subsection would be the Red Suspender's Days and Scare Crow Days as previously sponsored by the Chamber of Commerce. There shall be no exemption from the provisions of this title unless the sponsoring organization obtains an exemption in advance of the event. The exemption provided herein shall apply only at the location of and for the duration of the event in question. 5.20.020 Use of telephone facilities.

When and in the event that the grantee of any franchise granted hereunder uses, in this CATV system, distribution channels furnished to the grantee by a telephone company whose facilities are constructed, operated and maintained pursuant to its state-granted telephone franchise, and the grantee makes no use of the streets, independent of such telephone company furnished facilities, the grantee shall be required to comply with all of the provisions of this chapter as a licensee and in such event whenever the term "grantee" is used in this chapter, it means and includes licensee. No provision of this chapter shall be deemed or construed as requiring the granting of franchise hereunder to a telephone company furnishing such a channel service.

(Ord. 505 § 1(part), 1987).

5.20.030 Franchise to operate.

A. A nonexclusive franchise to construct, operate, and maintain a CATV system within all or any portion of the city may be granted by the council, by resolution, to any person, firm or corporation, whether operating under an existing franchise or not, who or which offers to furnish and provide such system under and pursuant to the terms and provisions of this chapter.

B. No provision of this chapter shall be deemed or construed so as to require the granting of a franchise when, in the opinion of the council, it is in the public interest not to do so or to restrict the number of grantees.

(Ord. 505 §1(part), 1987).

5.20.040 System designed standards.

A. Minimum system design requirements shall be as follows:

1. Twenty-four downstream channels of video in accordance with the grantor-approved construction schedule in the franchise;

3. Interconnection capability as more fully described herein;
4. Head-end standby power capable of four hours continuous operation.

B. Construction techniques shall be equal to or superior to the requirements of California Public Utilities Commission General Order 95, as amended or superseded from time to time, the specifications for aerial communications systems of the Pacific Telephone Company, and to all specifications and limitations on the utilization of their materials made by their manufacturers or to rules or regulations of the Federal government, whichever are the higher standards unless grantor authorizes lower standards. Construction components shall be adequate to the design specifications and requirements of the system and shall be utilized within manufacturer's specifications. In addition, the CATV system shall be constructed in accordance with design requirements and schedules contained in the franchise agreement.

(Ord. 505 § 1(part), 1987).

5.20.050 Subscriber complaints.

In addition to other service regulations adopted by the council, and excepting circumstances beyond grantee's control, such as acts of God, riots and civil disturbances, and in providing the foregoing services, the grantee shall:

A. Limit system failures to minimum time duration by locating and correcting malfunctioning promptly, when reasonably possible within twenty-four hours after occurrence, irrespective of holidays or other nonbusiness hours;

B. Upon complaint by a subscriber, make a demonstration satisfactory to the city administrator that a signal is being delivered which is of sufficient strength and quality to meet the standards set forth in the regulations of the Federal Communications Commission;

C. Render efficient service making repairs promptly and interrupting services only for good cause and for the shortest time possible. Planned interruptions, insofar as possible, shall be preceded by notice given to subscribers no less than twenty-four hours in advance and shall occur during the period of minimum use of the system;

D. Maintain an office in the city or at a location which subscribers may call without incurring added message or toll charges and which office shall be open during all the usual business hours, with its telephone listed in directories of the telephone company serving the city, and be so operated that complaints and requests for repairs or adjustment may be received at any time, day or night, seven days a week, or provide a local telephone directory listing and toll free telephone service maintained on a seven-day, twenty-four hour basis for the receipt of service repair complaints;

E. Provide to Grantor within two (2) business days after written notice is received, a summary of service complaints from cable customers and how the Grantee resolved those complaints. All information provided Grantor is subject to the privacy provisions of the Cable Act.

(Ord. 631 (part), 1994; Ord. 505 § 1(part), 1987).

5.20.060 Subscriber complaints, failure to remedy.

A. In addition to any other penalty provisions in the franchise, if a subscriber files in writing with the grantor a complaint for a service problem which is preventable and reasonably within the grantee's control, and if such grantee fails within a reasonable period following receipt of written notice by the grantor to remedy the problem, the grantor, upon ten days' written notice to the grantee, may require the grantee to appear before the city council to resolve such issues and may levy a penalty of up to five hundred dollars for any occurrence or series of related occurrences. If the grantee objects to the penalty in writing to the grantor within thirty days, the grantee and grantor shall commence binding arbitration in accordance with the Rules of the American Arbitration Association solely for the purpose of determining whether the five-hundred-dollar penalty was appropriate. No other action taken by the grantor shall be reviewable by way of arbitration.

B. The grantee shall provide notice to each subscriber, upon initial installation and within ninety days of franchise renewal regarding the sanctions provided in this section, and the procedure for reporting and resolving subscriber complaints, including the subscriber's right to complain in writing to the grantor about the grantee's failure to resolve a service complaint which is preventable and reasonably within the grantee's control. The proper address of the grantor to which complaints may be directed shall be included in such notice.

(Ord. 505 § 1(part), 1987).

5.20.070 Uses permitted by grantee.

A. Any franchise granted pursuant to the provisions of this chapter shall authorize and permit the grantee to engage in the business of operating and providing a CATV system in the city and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain and retain in, on, over, under, upon, across and along any right-of-way such poles, wires, cable conductors, ducts, conduits, vaults, manholes, amplifiers, appliances, attachments and other property as may be necessary and appurtenant to the CATV system; and, in addition, so to use, operate and provide similar facilities or properties rented or leased from other persons, firms or corporations, including but not limited to any public utility or other grantee franchised or permitted to do business in the city.

B. The granting of a franchise pursuant to this chapter shall not be construed as permission or authority to enter on, occupy or otherwise use private property without the express consent of the owner or agency in possession thereof.

(Ord. 505 § 1 (part), 1987).

5.20.080 Term.

A. No franchise granted by the council under this chapter shall be for a term longer than fifteen years following the date of acceptance of such franchise by the grantee or the renewal thereof.

B. Any such franchise granted hereunder may be terminated prior to its date of expiration by the council, in the event that the council shall have found, after thirty days' written notice of any proposed termination and public hearing, that:

1. The grantee has failed to comply with any material provision of this chapter, or has, by act or omission, violated any material term or condition of any franchise or permit issued hereunder; or

2. Any provisions of this chapter have become invalid or unenforceable and the council further finds that such provisions constitute a consideration material to the grant of the franchise and the parties are unable to negotiate appropriate modifications to the franchise within a reasonable time following the invalidity or unenforceability of the provisions; or

3. The city acquires the CATV system property of the grantee.

(Ord.505 § 1(part), 1987).

5.20.090 Renewal.

A. During the six-month period which begins with the thirty- sixth month before the franchise expiration, the city may, on its own initiative, and shall at the request of a grantee, commence proceedings which afford the public in the franchise area appropriate notice and participation for the purpose of:

1. Identifying the future cable-related community needs and interests; and

2. Reviewing the performance of the cable operator under the franchise during, the then current franchise term presently in effect. The term of any such renewal shall commence from the effective date of the renewed franchise. The section does not confer upon the grantee any substantive or vested rights to renewal of the or vested rights to renewal of the franchise and the grantor is under no obligation to renew the franchise.

B. 1. Upon completion of the proceedings described under subsection A, a grantee seeking renewal of a franchise may, on its own initiative or at the request of the city, submit a proposal for renewal.

2. Any such proposal shall contain such material as the city may require, to include all matters specified in Section 5.20.260 and to include proposals for an upgrade of the existing cable system.

3. Such proposal for a renewal shall be submitted in writing to the city within thirty days following the completion of the proceedings under subsection A.

C. 1. Upon submittal by a grantee of a proposal to the city for the renewal of a franchise, the city shall provide prompt public notice of such proposal and, during the four-month period which begins on the completion of any proceedings under subsection A, renew the franchise or issue a preliminary assessment that the franchise should not be renewed, and at the request of grantee or on its own initiative, commence an administrative proceeding to consider whether:

a. The grantee has substantially complied with the material terms of the existing franchise and with applicable law;

b. The quality of the grantee's service, including signal quality, response to consumer complaints, and billing practices (but without regard to the mix, quality, or level of cable services or other services provided over the system) has been reasonable in light of community needs;

c. The grantee has the financial, legal, and technical ability to provide the services, facilities, and equipment as set forth in the grantee's proposal; and

d. The grantee's proposal is reasonable to meet the future cable-related community needs and interests, taking into account the cost of such needs and interests.

2. In any proceeding under subsection (C) (1) of this section, the grantee shall be afforded at least ten days' notice by mail of any hearing (an initial hearing may thereafter be continued time to time without any further written notice) and the grantee and the city, or its designee, shall be afforded fair opportunity for full participation, including the right to introduce evidence (including evidence related to issues raised in the proceeding under subsection A), to require the production of evidence, and to question witnesses. A transcript shall be made of any such proceedings.

3. At the completion of a proceeding under this subsection, the city shall issue a written decision granting or denying the proposal for renewal based upon the record of such proceeding, and transmit a copy of such decision to the grantee. Such decision shall state the reasons therefor.

D. Any denial of a proposal for renewal shall be based on one or more adverse findings made with respect to the factors described in subsection (C) (1) (a) through (d) of this section, pursuant to the record of the proceeding under subsection C. The city may not base a denial of renewal on a failure to substantially comply with the terms of the franchise under subsection C. The city may not base a denial of renewal on a failure to substantially comply with the terms of the franchise under subsection (C) (1) (a) or on events considered under subsection (C) (1) (b) in any case in which a violation of the franchise or the events considered under subsection (C) (1) (b) unless the city has provided the grantee with notice and the opportunity to cure, or in any case in which it is documented that the grantee has waived its right to objection, or has effectively acquiesced.

E. No franchise granted pursuant to this chapter (or under any prior law) shall remain in effect beyond the length of its stated term, provided that any such franchise shall remain in effect at all times during which the city considers renewal of such franchise pursuant to subsection C of this section. In the event that the city denies renewal of the franchise, the franchise shall cease immediately if it has been in effect beyond the date of its stated term (and hence has remained in effect only while the city considers renewal), or it shall cease at such time as its stated term expires (in the event the city's denial of a renewal application occurs prior to the expiration of the franchise being considered for renewal). As such, the franchise shall terminate as specified in this subsection, notwithstanding the fact that an appeal from the decision of the city denying the franchise remains pending. Nothing in this subsection shall be deemed to limit the city's right to terminate any franchise as provided elsewhere in this chapter.

F. The term of any such renewal shall commence from the effective date of the renewed franchise. This section does not confer upon the grantee any substantive or vested rights to renewal of the franchise.

(Ord. 505 § 1(part), 1987).

5.20.100 Franchise payments.

Immediately upon execution of the franchise, the grantee shall pay to the city, on or before March 31st, of each year, a sum of five percent of gross receipts as defined in Section 5.20.010F, received by the franchisee for cable television operations in the city for the preceding calendar year. No other fee, charge or consideration will be imposed except such generally applicable business license fees, construction, development and inspection, and permit fees as set by the city. The grantee shall file with the city within ninety days after the expiration of any calendar year or portion thereof during which a franchise is in force, a financial statement prepared by a certified public accountant and in a form satisfactory to the director of finance for the city, showing in detail the gross annual receipts, as defined herein, of grantee. Upon reasonable notice and during regular business hours, the city shall have the right to inspect the grantee's records, and make copies thereof, covering its gross subscriber revenues under the franchise and the right of audit and recomputation of any and all amounts payable under this chapter; the cost of such audit shall be borne by grantee when the same results in increasing by more than two percent the grantee's annual payment to the city. No acceptance of any payment shall be considered as a release or as an accord and satisfaction of any claim the city may have for further or additional sums payable under this chapter or for the performance of any other legal obligation hereunder.

(Ord. 505 § 1(part), 1987).

5.20.110 Limitations of franchise.

- A. Any franchise granted under this chapter shall be nonexclusive.
- B. No privilege or exemption shall be granted or conferred by any franchise granted under this chapter except those specifically prescribed in this chapter.
- C. Any privilege claimed under such franchise by the grantee in any right-of-way or city pole or other public property shall be subordinate to any prior lawful occupancy of the rights-of-way, city pole, or public property by any other party. The city shall be judge in determining such claims. The city reserves the right to maintain and to operate its facilities in such manner as will best enable it to fulfill its own service requirements. The city shall not be liable to the grantee for any interruption to the grantee's service or for any interference with the operation of the grantee's equipment arising in any manner from the use of any right-of-way, pole, or facility thereon by the city.
- D. A franchise granted pursuant to this chapter shall not be sublet or assigned, nor shall any of the rights or privileges therein granted or authorized be leased, assigned, sold, or transferred, either in whole or in part, nor shall title thereto, either legal or equitable, or any right, interest or property therein, pass to or vest in any person, except grantee, either by act of the grantee or by operation of law, without the prior written consent of the grantor, which shall not be unreasonably withheld. The granting of such consent shall not render unnecessary any subsequent consent.
- E. The grantee shall promptly notify the grantor of any proposed change in control of the grantee with respect to control shall make the franchise null and void unless and until the grantor shall have consented thereto. For the purpose of determining whether it will consent to such change, transfer, or acquisition of control, the grantor may inquire into the qualifications of the prospective controlling party, and the grantee shall assist the grantor in any such inquiry. The grantor may condition such transfer upon the terms and conditions it deems reasonably appropriate.

F. For the purpose of this section, a presumptive change in control will exist upon sale and transfer of thirty percent or more of the grantee's ownership stock or other control.

G. The grantee, at least sixty (60) days prior to any transfer or change in control as described in this section, shall deliver to Grantor information concerning the definitive transfer or sales agreement, and concerning the transferee or proposed controlling entity, as reasonably appropriate. Upon closing of any such sale or change of control, and if requested by Grantor, Grantee shall deliver to Grantor a certified copy of the document or documents evidencing such transfer of change of control.

H. Every such transfer as heretofore described, whether voluntary or involuntary, shall be deemed void and of no effect unless grantee shall have filed such certified copy as is required and grantor has given approval.

I. If the grantee shall violate this section, or fail to obtain grantor consent, all of the revenues of the system from the date of violation until the date of consent, if any, shall be returned to system's subscribers, on a prorated basis, upon written notice to the grantee from the grantor. Furthermore, any transfer in violation of this section shall be void ab initio.

J. Time shall be of the essence in any franchise granted hereunder. The grantee shall not be relieved of its obligations to comply promptly with any of the provisions of this chapter or by failure of the city to enforce prompt compliance.

K. Any right, or power in, or duty impressed upon, any officer, employee, department or board of the city shall be subject to transfer by the city to any other officer, employee, department, or board of the city.

L. The grantee shall have no recourse whatsoever against the city for any loss, cost, expense or damage arising out of any provision or requirement of this chapter or its enforcement.

M. The grantee shall be subject to all provisions, rules, regulations, and conditions prescribed by federal, state, city, and local law theretofore or hereafter enacted or established during the term of any franchise granted under this chapter; provided, that with respect to city and local law, that such laws do not materially increase the burdens and obligations assumed by the grantee nor materially diminish the rights of the grantee pursuant to such grantee's franchise agreement.

N. Any such franchise granted shall relieve the grantee of any obligation involved in obtaining pole space from the city and shall be in lieu of any obligation to obtain an encroachment permit for installation of any of the grantee's property on the rights-of-way. However, it shall not relieve the grantee from the obligation imposed in any encroachment permit.

(Ord. 505 § 1(part), 1987).

5.20.120 Rights reserved to the city.

A. Nothing in this chapter shall be deemed or construed to contract away or to modify or abridge, either for a term or in perpetuity, the city's right of eminent domain.

B. There is reserved to the city every right and power which is required to be herein reserved or provided by any ordinance of the city; and the grantee, by its acceptance of any franchise, agrees to be bound thereby and to comply with any action or requirements of the city in its exercise of such rights or power, heretofore or hereafter enacted or established.

C. Neither the granting of any franchise hereunder nor any of the provisions contained in this chapter shall be construed to prevent the city from granting any identical or similar franchise to any other person, firm or corporation, within all or any portion of the city. In the event the city grants such additional franchises to construct, operate or maintain a CATV system within the city under more favorable terms and conditions than those granted to a grantee in a previous franchise agreement,

then the agreement shall be considered modified to include such more favorable terms and conditions.

D. There is reserved to the city the power to amend any section or part of this chapter so as to require additional or greater standards of construction, operation, maintenance or otherwise, on the part of the grantee. Provided, however, that any franchise in existence on the effective date of this chapter shall be subject to and governed by the law in existence prior to the effective date of this chapter except insofar as the requirements set forth in this chapter do not materially increase the burdens and obligations assumed by the grantee or materially diminish the rights of the grantee pursuant to such grantee's existing franchise agreement. Any renewal of existing franchises after the effective date of this chapter shall be governed by the law in existence at the time such renewal application is made, and any franchise so renewed shall be subject to all of the provisions of this chapter.

E. Neither the granting of any franchise nor any provisions of this chapter shall constitute a waiver or bar to the exercise of any governmental right or power of the city.

F. The council may do all things which are necessary and convenient in the exercise of its jurisdiction under this chapter and may determine any question of fact which may arise during the existence of any franchise granted hereunder. The city is authorized and empowered to adjust, settle, or compromise any controversy or charge arising from the operations of any grantee under this chapter, either on behalf of the city or and subscriber, in the best interest of the public.

(Ord. 505 § 1(part), 1987).

5.20.130 Location of the property of grantee.

A. Any poles, wires, cable lines, conduits or other properties of the grantee to be constructed or installed in streets, shall be so constructed or installed only at such location and in such manner as shall be approved by the public works director acting in the exercise of his reasonable discretion.

B. The grantee shall not install or erect any facilities of apparatus in or on other public property, places or rights-of-way, or within any privately owned area within the city which has not yet become a public street on any tentative subdivision map approved by the city, except those installed or erected upon public utility facilities now existing, without obtaining the prior written approval of the public works director.

C. In those areas and portions of the city where the transmission or distribution facilities of both the public utility providing telephone service and the utility providing electric service are underground, then the grantee shall construct, operate and maintain all of its transmission and distribution facilities underground. Amplifiers in grantee's transmission and distribution lines may be in appropriate housing upon the surface of the ground as approved by the public works director. The city shall not be responsible in any manner for any costs incurred by the grantee in placing grantee's facilities underground. Undergrounding shall be at the grantee's cost and expense.

(Ord. 505 § 1(part), 1987).

5.20.140 Removal and abandonment of property of grantee.

A. In the event that the use of any part of the CATV system is discontinued for any reason for a continuous period of six months, or in the event such system or property has been installed in any street or public place without complying with the requirements of grantee's franchise or this chapter, or the franchise has been terminated, canceled or has expired, the grantee, upon being given ten days' notice shall promptly at no expense to the city remove from the streets or public places all such above-ground property and poles of such system other than any which the city engineer may permit to be abandoned in place. In the event of such removal, the grantee shall promptly restore the street or other area from which such property has been removed to the condition satisfactory to the public

works director. Removal of abandoned property if not performed by grantee, may be done by the grantor and billed to the grantee at grantor's option.

B. Any property of the grantee remaining in place one year after the termination or expiration of the franchise shall be considered permanently abandoned.

C. Any above-ground property of the grantee to be abandoned in place shall be abandoned in such a manner as the city engineer shall prescribe. Subject to the provisions of any utility joint use attachment agreement, upon permanent abandonment of the property of the grantee in place, the property shall become that of the city and the grantee shall submit to the public works director an instrument in writing, to be approved by the city council, transferring to the city the ownership of such property.

D. Any and all street and public ways disturbed or damaged during the construction, operation, maintenance, or reconstruction of the system, shall be promptly restored by the grantee, at its sole expense, to their original condition unless otherwise authorized in writing by grantor.

(Ord. 505 § 1(part), 1987).

5.20.150 Continuity of service.

It shall be the right of all subscribers to receive all available services insofar as their financial and other obligations to the grantee are honored. In the event that the grantee elects to overbuild, rebuild, modify, or sell the system, or the grantor revokes or fails to renew the franchise, the grantee ensures, that all subscribers receive continuous, uninterrupted services to the maximum extent reasonably possible. System interruptions or disruptions within grantee's reasonable control, in excess of twentyfour consecutive hours or for forty-eight total hours during any month shall entitle subscriber(s) to pro rata rebates upon request for the disrupted period, unless the disrupted period is the result of termination of the franchise by the grantor, an exercise of the grantor's right of eminent domain, or other acquisition of the franchise property by the grantor. In the event of purchase by the grantor, or a change of grantee, the current grantee shall cooperate with the grantor to operate the system for a temporary period to maintain continuity of service to all subscribers. In any event, grantor may, by resolution when it deems a good and sufficient cause exists, take over operation of a system for the purpose of maintaining continuity of service until any circumstances, which may in the judgment of the grantor threaten the continuity of service, are resolved to the grantor's satisfaction.

(Ord. 505 § 1(part), 1987).

5.20.160 Changes required by public improvements.

A. The grantee, at its expense, shall protect, support, temporarily disconnect, relocate in the same street or other public place, or remove from the street or other public place any property of the grantee when required by the public works director by reason of traffic conditions, public safety, street vacation, freeway and street construction, change or establishment of street grade, installations of sewers, drains, water pipes, power lines, signal lines, tracks or any other type of structures or improvements by public agencies or as may be required by public agencies; provided, however, that the grantee in all cases shall have the privileges and be subject to the obligations to abandon any property of the grantee in place, as provided in Section 5.20.140 of this chapter. If the grantee protests any requirement of the public works director, the matter shall be referred to the city administrator, whose decision shall be final and binding.

B. Nothing in this section shall be deemed a taking of the property of the grantee and grantee shall not be entitled to any surcharge or other compensation by reason of anything hereunder.

(Ord. 505 § 1(part), 1987).

5.20.170 Failure to perform street work.

Upon failure of the grantee to commence, pursue or complete any work required by law or by the provisions of this chapter or by its franchise to be done in any street or other public place within the time prescribed, and to the satisfaction of the public works director, the public works director, at his option, may cause such work to be done and the grantee shall pay to the city the cost thereof in the itemized amounts reported by the public works director to the grantee within thirty days after receipt of such itemized report.

(Ord. 505 § 1(part), 1987)

5.20.180 Faithful performance bond.

A. The grantee, concurrently with the filing of an acceptance of award of any franchise granted under this chapter, shall furnish to the city and file with the city clerk, and at all times thereafter maintain in full force and effect for the term of such franchise or any renewal thereof, at grantee's sole cost and expense, a corporate surety bond in a company approved by the city, and in a form approved by the city in an amount to be determined by grantor but not to exceed fifty thousand dollars renewable annually, and conditioned upon the faithful performance of the grantee of all of the grantee's obligations under this chapter and any franchise agreement, and upon the further condition that in the event grantee shall fail to comply with any one or more of the material provisions of this chapter or of any franchise issued to the grantee under this chapter, there shall be recoverable jointly and severally from the principal and surety of such bond any damages or loss suffered by the city as a result thereof, including the full amount of any compensation, indemnification, or cost of removal or abandonment of any property of the grantee as prescribed hereby which may be in default, plus a reasonable allowance for attorney's fees and costs, up to the full amount of the bond, such condition to be a continuing obligation for the duration of such franchise and any renewal thereof and thereafter until the grantee has liquidated all of its obligations with the city that may have arisen from the acceptance of such franchise or renewal by the grantee or from its exercise of any privilege therein granted. The bond shall provide that thirty days' prior written notice of intention not to renew, cancellation, or material change shall be given to the city.

B. At the end of the first three years of the term of this franchise, the amount of the aforesaid corporation surety bond, which the franchise holder shall maintain in full force and effect for the remainder of the term of the franchise, shall be in an amount to be determined by grantor but not to exceed twenty-five thousand dollars, but shall correspond in all other particulars to the bond required during the first three years of the term as required in this section.

C. Neither the provisions of this section, or any bond accepted by the city pursuant hereto, nor any damages recovered by the city pursuant hereto, nor any damages recovered by the city thereunder, shall be construed to excuse faithful performance by the grantee or limit the liability of the grantee under any franchise issued under this chapter or for damages, either to the full amount of the bond or otherwise.

(Ord. 505 § 1(part), 1987).

5.20.190 Indemnification of city.

A. The grantee, concurrently with the filing of an acceptance of award of any franchise granted under this chapter, shall provide and maintain in full force and effect for the term of such franchise or any renewal thereof, at grantee's sole cost and expense, a general comprehensive liability insurance policy in an amount as from time to time set by the council and by a company approved by the city and in a form satisfactory to the city attorney, indemnifying and saving harmless the city, its officers, and employees from all claims, actions, suits, liability, loss expense or damages of every kind and description, including investigation cost, court costs, and attorney's fees which may accrue to or be suffered or claimed by a person or persons arising out of the negligence of the grantee in the ownership, construction, repair, replacement, maintenance and operation of the cable television system and by reason of any license, copyright, property right or patent of any article or system used

in the construction or use of the system and protecting the city and all persons against liability for loss or damage for personal injury, death and property damage, occasioned by the operations of grantee under such franchise, and any antitrust claim against grantor relating to the grant or administration of a franchise granted pursuant to this chapter, with minimum liability limits of two million dollars for personal injury or death of any person and five hundred thousand dollars for damage to property resulting from any one occurrence.

Furthermore, grantee shall indemnify and hold harmless the grantor from any and all liabilities, fees, costs and damages to persons or property, or expenses of any type or nature which may accrue to the grantor by reason of the construction, operation, maintenance, repair and alteration of the grantee's facilities by the grantee, its employees or agents, excluding any claims arising out of or relating to the negligence or wilful misconduct of the grantor, its employees or agents. In case any suit or action is instituted against the grantor asserting claims for which the grantor has a right of indemnification from the grantee pursuant to this paragraph, the grantor shall provide written notice thereof to the grantee and the grantee shall have the duty to defend grantor, nor shall it be required to indemnify and hold harmless the grantor, if a suit or action is brought against the grantor by the grantee.

B. Policies mentioned in subsection A of this section shall name the city, and its officers, boards, commissions, agents and employees, as additional insured and shall contain a provision that a written notice of cancellation or reduction in coverage of the policy shall be delivered to the city thirty days in advance of the effective date thereof; if such insurance is provided by a policy which also covers grantee or any other entity or person other than those above named, then such policy shall contain the standard cross-liability endorsement.

(Ord. 505 § 1(part), 1987).

5. The city engineer may, upon thirty days' notice require that any such maps be updated to reflect current locations of the grantee's CATV system equipment.

B. The information required to be provided pursuant to this section, in addition to any further data which may be required by the grantor, shall be furnished by the grantee to the grantor at the grantee's own cost and expense. The grantor shall have the right to inspect any records, receive copies of all books, records, maps, construction plans, financial statements, and other like material which are kept by the grantee on its premises upon reasonable notice at any time during normal business hours, and any grantee record kept at another place shall, within ten days of grantor's request, be made available at grantee's premises within the franchise area for grantor's inspection and/or copying, provided that the grantor shall maintain the confidentiality of any trade secrets or other proprietary information in the possession of the grantee.

(Ord. 505 § 1(part), 1987).

The performance of grantee's cable television system shall meet the technical standards as set forth in Section 5.20.040, and in FCC Rules, Part 76, Sub-part K, Section 76.610 and as amended, at the minimum, establishing technical standards relating to a cable system's technical operation.

(Ord 631 (part), 1994; Ord. 505 § 1(part), 1987).

5.20.230 Emergency use of facilities.

In the case of any emergency or disaster, the grantee shall, upon request of the city council or city administrator, make available its facilities at no cost to the grantor for emergency use during the emergency or disaster period. For any period of time during which the grantor uses the grantee's facilities under the provisions of this subsection, subscribers shall not be entitled to a refund for interruption of service.

(Ord. 505 § 1(part), 1987).

5.20.240 Modifications.

Any modifications of the applicable provisions of the rules and regulations of the Federal Communications Commission or act of Congress which apply to the grantee shall be incorporated into the franchise within one year of adoption of the modification or at the time of franchise renewal, whichever occurs first.

(Ord. 505 § 1(part), 1987).

(Ord. 505 § 1(part), 1987).

5.20.270 Application--action by council.

A. Upon consideration of any such application, the city council may refuse to grant the requested franchise, or the city council, by resolution, may grant a franchise for a CATV system to any such applicant as may appear from the application to be in its opinion best qualified to render proper and efficient CATV service to the television viewers and subscribers in the city. The city council's decision in the matter shall be final. If favorably considered, the application submitted shall constitute and form a part of the franchise as granted. It is the intention of this chapter that the franchise shall not be granted upon a cash auction bid, but that the city council shall consider those factors set forth in California Government Code Section 53066 in granting the franchise, including but not limited to the following:

1. Quality of service offered;
2. Experience and financial responsibility of the applicant;
3. Applicant's proposals for providing service to local schools and city installations;
4. Whether applicant has a contract with a public utility providing for use of facilities such as poles, lines or conduits of such public utility in the city;
5. Such other factors as the city council considers necessary in protecting the public interest.

B. Any franchise granted under this chapter shall include the following conditions:

1. The CATV system herein franchised shall be used and operated solely and exclusively for the purpose expressly authorized by ordinance of the city and no other purpose whatsoever.
2. Inclusion of the foregoing statement in any such franchise shall not be deemed to limit the authority of the grantor to include any other reasonable condition, limitation, or restriction which it may deem necessary to impose in connection with such franchise pursuant to the authority conferred by this chapter.

(Ord. 505 § 1(part), 1987).

5.20.280 Effectiveness and acceptance.

A. No franchise granted under this chapter shall become effective unless and until the resolution granting the franchise has become effective and, in addition, unless and until all things required in this chapter are done and completed, all such things being hereby declared to be conditions precedent to the effectiveness of any such franchise granted under this chapter. In addition, no franchise granted pursuant to the provisions of this chapter shall become effective until all such things declared to be conditions precedent to the effectiveness of any such franchise shall be accomplished. In the event any of such things are not done and completed in the time and manner required, the council may declare the franchise null and void.

B. Within thirty days after the effective date of the document awarding a franchise, or within such extended period of time as the council, in its discretion may authorize, the grantee shall file with the city clerk his written acceptance in a form satisfactory to the city attorney, of the franchise, together with the bonds and insurance policies required by Section 5.20.180, 5.20.190 and 5.20.200.

(Ord. 505 § 1(part), 1987)

5.20.290 Construction and availability of service.

A. Within ninety days after acceptance of this franchise, the grantee shall file all necessary applications to receive permits and authorizations which are required in the conduct of its business including, but not limited to, any utility joint-use attachment agreements, microwave carrier licenses, and any other permits, licenses, and authorizations to be granted by duly constituted regulatory agencies having jurisdiction over the operation of the cable television system, or associated microwave transmission facilities. In connection therewith, copies of all petitions, applications and communications submitted by the grantee to the Federal Communications Commission, Securities and Exchange Commission, or any other federal, state, or regulatory commission or agency having jurisdiction with respect to any matters affecting grantee's cable television and operations, shall also be submitted simultaneously to the city clerk.

B. Within ninety days after the release of at least ten percent of all poles within the franchise area by the jurisdictional utilities, grantee shall commence physical construction and installation of the cable television system.

C. Within two years after the commencement of construction pursuant to subsection B of this section, unless the city council in its discretion designates a shorter time in the franchise, grantee shall complete construction and installation of the entire cable television system and proceed to render service to all residents of the city who desire cable television service.

D. The grantor may in its sole discretion levy a penalty not to exceed two hundred and fifty dollars per day for each day the grantee exceeds the construction and installation time table pursuant to subsections B and C of this section; provided, however, that no such penalty shall be levied where such delays are a result of war, flood, fire, drought, labor strike, inability to obtain material or other cause not within grantee's reasonable control.

(Ord. 505 § 1(part), 1987).

5.20.300 Subscriber protection.

A. The grantee shall maintain constant vigilance with regard to possible abuses of the privacy or constitutional rights of any subscriber, programmer, or citizen resulting from any device, signal, or service associated with the system. The grantee shall not utilize any capability of the system for acquisition of information not a normal part of a grantor-approved service.

B. No equipment owned by the grantee shall be installed by the grantee without first securing the written permission of the owner of any premises involved. If such permission is later revoked, the grantee upon request of the owner shall remove forthwith any of its equipment which is both visible and moveable.

C. Nothing herein shall restrict grantee's right to include additional advertising with grantee's billings.

D. Neither the grantee, nor any other person, agency, or entity, shall unlawfully tap, or arrange for the tapping, of any cable, line, signal device, signal or subscriber outlet, or receiver for any purpose whatsoever, except for the sole purpose of determining any unlawful act in violation of Section 5.20.330.

(Ord. 505 § 1(part), 1987).

5.20.310 Service standards.

A. It is the grantor's policy that the public shall have access to accurate and current information on presently available cable services. Grantee shall make a reasonable effort to provide such information.

B. Grantee shall inform grantor at least thirty days in advance of making any change in service standards. Upon request, grantee will confer with grantor's representative before taking any such action, and shall give due consideration to any recommendations grantor may make, either in response to grantee's statement of intention, or on grantor's own initiative.

C. All cable services shall be available to all subscribers who are willing to pay the charges at the rates established. No charges may be made for services except as listed in published schedules which are available to inspection by anyone at grantee's office, quoted by grantee on the telephone, or displayed or communicated to all potential subscribers prior to their signing a written order for service, except that grantee may charge less than the charges regularly assessed for such services at its discretion.

D. When a subscriber voluntarily discontinues service, grantee shall refund the unused portion of any advance payments in excess of two dollars after deducting any charges currently due. Unused payment portions shall be the percentage of time for which subscriber has paid for service and will not receive it because of his discontinuation of service.

E. Prior to any installation or delivery of services, all subscribers shall sign and deliver to grantee a written order for service. The order shall describe in detail all charges for installation of services, the method of payment and schedule of payment, and any grace periods, late charges, or any other information which will affect the total amount subscriber is to be charged.

F. Grantee shall advise each subscriber as may be set forth in the franchise that the grantor's representative is the official to whom complaints of poor service should be made if such complaints of poor service are not resolved by grantee to the satisfaction of each subscriber.

G. Grantee may, at its option, charge subscribers for service and installation no more than two months in advance. Billing periods shall not exceed two months. Bills may be due and payable upon mailing and shall not be delinquent sooner than twenty days after mailing. Grantee may offer subscribers various prepayment schemes at discounts not to exceed reasonable interest on the subscriber's money for the period of prepayment.

H. Grantee may disconnect a subscriber only for cause, which shall be limited to:

1. Payment delinquency in excess of fifteen days;
2. Wilful damage to or misappropriation of grantee's property;
3. Refusal, for more than ten days, to admit grantee to the subscriber's premises to service grantee's equipment;
4. Conviction by a court of monitoring, tapping, or tampering with grantee's system, signals, or services.

I. Grantee shall, upon subscriber's written request and payment of any grantee required deposit, reconnect service which has been disconnected for payment delinquency when payment has removed the delinquency. A published standard charge may be made for reconnections. Grantee shall not be required to make more than three reconnections for the same subscriber if the disconnections involved were caused by payment delinquency within the past twelve months.

J. Grantee shall advise each subscriber that they have the right to require their installation to be done over any route on their property, to any location within any building thereon, and in any manner they may elect, which is technically and practically feasible, consistent with grantee's standard practices. Grantee may, if it so elects, require that any such request be made in writing.

K. Grantee shall propose and secure grantor's approval for the description of standard or normal drop and shall include a determination of its cost for materials and labor. This shall be the most direct routing of drop wire from the tap to the subscriber's building construction found in the franchise area. A nonstandard drop shall be one which departs in total cost from a standard drop by more than twenty percent. For each nonstandard drop installed, the grantee may charge the subscriber for the cost of material and labor in excess of that for a standard drop. Grantee shall obtain a subscriber's written authorization in advance for all nonstandard drop charges.

(Ord. 505 § 1(part), 1987).

5.20.320 Miscellaneous provisions.

A. When not otherwise prescribed in this chapter, all matters herein required to be filed with the city shall be filed with the city clerk.

B. The grantee shall pay to the city a sum of money sufficient to reimburse it for all publication expenses incurred by it in connection with the granting of a franchise pursuant to the provisions of this chapter. Such payment shall be made within thirty days after the city furnishes the grantee with a written statement of such expenses by delivery of same to the city clerk.

C. In the termination of commercial broadcast television programs, the grantee shall not delete the commercials of the program sponsor nor shall it interrupt any programs or parts thereof and substitute commercials or advertisements for those of such program sponsor. However, this section, if preempted by federal regulations or by contract with the commercial broadcast television programmer, shall be ineffective, insofar as it is in conflict with such federal regulations.

D. Grantee shall provide all basic subscriber services of its system, including multiple connection services, on a time and materials basis, to all public and nonprofit private schools, city police and fire stations, city recreation centers, and such other buildings owned or controlled by the city, which shall from time to time be designated by the city administrator; provided, however, that such buildings shall be located within the service area. Grantee shall install, without charge to grantor or such public or private schools, within two hundred feet of service connection from the transmission cable, otherwise maintained or required to be maintained by grantee for the service of paying subscribers of grantee. The grantor or any such public or private schools shall pay to grantee the costs of all labor and materials supplied by grantee for the installation of any service connection in excess of the initial two hundred feet.

E. Before grantee shall provide service to any subscriber, grantee shall obtain a signed contract from the subscriber containing a provision substantially as follows:

Subscriber understands that in providing service, grantee is making use of public rights-of-way within the city, and that the continued use of these public rights-of-way is in no way guaranteed. Subscriber agrees it will make no claim nor undertake any action against the city, its officers, its employees or grantee if a service to be provided by grantee hereunder is interrupted or discontinued because the continued use of such rights-of-way is denied to grantee for any reason. The form of grantee's contract with its subscribers shall be subject to approval of the grantor's attorney with respect to the inclusion of this provision.

F. The grantee shall comply with all applicable city construction codes and permit procedures.

G. All construction practices shall be in accordance with all applicable sections of Federal and State Occupational Safety and Health Acts and any amendments thereto as well as all state and local codes where applicable.

H. Antennas and support structures (towers) shall be painted, lighted, erected and maintained in accordance with all applicable rules and regulations of the Federal Aviation Administration and all other applicable state or local codes and regulations.

I. All of the grantee's plant and equipment, including but not limited to the antenna site, headend and distribution system towers, house connections, structures, poles, wire, coaxial cable, fixtures and appurtenances, shall be installed, located, erected, constructed, reconstructed, replaced, removed, repaired, maintained and operated in accordance with good engineering practices, performed by experienced maintenance and construction personnel so as not to endanger or interfere in any manner with the rights of any property owner, nor hinder or obstruct pedestrian or vehicular traffic.

J. The grantee shall at all times employ common care and shall use and maintain commonly accepted methods and devices for preventing failure and accidents that are likely to cause damage, injury or nuisance to the public.

K. Grounds for Revocation. The grantor reserves the right to revoke any franchise granted hereunder and rescind all rights and privileges associated with the franchise due to either of the following circumstances either of which shall represent a material breach of the franchise:

1. If the grantee should default in the performance of any of its material obligations under this chapter or the franchise agreement;

2. If the grantee should fail, after receiving ten days' written notice from the grantor to provide or maintain in full force and effect, the liability and indemnification coverages or bonds as required

herein. The grantee shall be deemed to have failed to maintain the required insurance or bonds if the grantee fails to provide adequate assurance to the grantor that such insurance or bonds will remain in effect after grantor has been given notice of intent to cancel coverage by the insurance company or bonding company.

L. Procedures Governing Revocation.

1. The city shall give written notice to the grantee of its intent to revoke the franchise and the grounds therefor. Grantee shall have thirty days from such notice to object, in writing, and to state the reasons for such objection.
2. In the event the city does not receive a response satisfactory to it, it may then proceed to place its request for revocation of the franchise on the agenda for a council meeting. The city shall serve upon the grantee, at least ten days prior to the time and place of such meeting, a written notice of its intent to request such revocation, and the time and place of the meeting.
3. At the designated meeting, the grantee shall be afforded fair opportunity for full participation, including the right to introduce evidence, to be represented by counsel, and to question witnesses.
4. Any decision to revoke the franchise shall be made by a vote of three or more members of the city council.
5. Any revocation shall become effective immediately.

M. Any franchise granted pursuant to this chapter shall include the conditions that the CATV system franchise shall be used and operated solely and exclusively for the purpose expressly authorized by ordinance of the city and no other purpose whatsoever. Inclusion of this statement in any franchise shall not be deemed to limit the authority of the city or to include any other reasonable condition, limitation or restriction which it may deem necessary to impose in connection with such franchise pursuant to the authority conferred by this chapter.

N. The grantee shall offer to make a lock box available to each of its subscribers. For purposes of this paragraph, a "lock box" is a parental control device, either in the form of a separate unit or incorporated into a descrambler or other piece of equipment used to provide cable television service, which is made operational by a key or by a code, and which enables the subscriber to prevent the viewing of any pay channel offering adult programming.

O. Unless the grantee's cable television system incorporates technology to prevent unwanted reception of audio and video signals from occurring under normal operating conditions, the system shall provide a written statement to all new subscribers advising them that audio or video signals, or both, may be present on certain channels to which they do not subscribe.

(Ord. 505 § 1(part), 1987).

5.20.330 Violation--penalty.

A. From and after the effective date of this chapter, it shall be unlawful for any person to establish, operate or to carry on the business of distributing to any persons in this city any television signals or radio signals by means of a CATV system unless a franchise therefor has first been obtained pursuant to the provisions of this chapter, and unless such franchise is in full force and effect.

B. From and after the effective date of this chapter, it shall be unlawful for any person to construct, install or maintain within any right-of-way in the city, or within any privately owned area within the city which has not yet become a public right-of-way but is designated or delineated as a proposed right-of-way on any tentative subdivision map approved by the city, any equipment or facilities for distributing any television signals or radio signals through a CATV system, unless a franchise authorizing such use of such right-of-way or property or area has first been obtained pursuant to the provisions of this chapter, and unless such franchise is in full force and effect.

C. It is unlawful for any person to make or use any unauthorized connection, whether physically, electrically, acoustically, inductively or otherwise, with any part of the franchised cable television system within this city for the purpose of taking or receiving or enabling himself/herself or others to receive or use any television signals, radio signals, picture, program or sound, without payment to the owner of the system. Notwithstanding the foregoing, utilization of equipment to receive directly from any satellite, any signal by an individual for his/her utilization or that of his/her invitees shall not be subject to nor be in violation of this chapter so long as such signal is not scrambled and there is no marketing program in place for the purchase of such signals and he/she does not retransmit such signal.

D. It is unlawful for any person, without the consent of the owner, to wilfully tamper with, remove or injure any cables, wires, or equipment used for distribution of television signals, radio signals, pictures, programs or sound.

E. Any person violating any of the provisions of this section shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in an amount not exceeding five hundred dollars or be imprisoned in the county jail for a period not exceeding six months or be both so fined and imprisoned. Each day such violation is committed or permitted to continue shall constitute a separate offense and shall be punishable as such hereunder.

(Ord. 505 § 1(part), 1987).

City Council Agenda Item #3
Staff Report

Date: August 21, 2023

To: Mayor and City Council

From: Elisa Arteaga, Finance Director

Subject: Budget, Strategic Planning, Support Services and Software

X	Regular
	Special
	Closed
	Emergency

Recommendation

Staff respectfully requests the City Council review, consider, and approve the proposal from ClearGov, Inc and authorize the City Administrator to execute a five-year agreement with ClearGov, Inc for the one-time fee of \$7,650.00 (conversion) and a 10-month pro-rata subscription fee of \$22,370.83 for the first year, renewing annually July 1, 2024, for \$26,845.00 annual subscription fee (3% annual increase until June 30, 2027) over the next five years.

Background

The current budget development process consists of the Finance Director and Finance staff meeting with all department directors' multiple times over several months, reviewing and entering budget data requests manually for each department. Finance staff then gathers all the information and updates a Microsoft Excel file, then consolidates hundreds of line items into categories and inputs the information into multiple Excel spreadsheets. Each spreadsheet includes formulas and links that connects multiple spreadsheets to each other. Additional reviews will follow to either modify and/or confirm request including the final review by City Administrator. If there are suggestions or changes, staff will again manually make those after a series of meetings. Once the budget is presented and adopted, staff gathers the final budget information and imports it to the Tyler Incode ERP10 financial system. This manual process is extremely time consuming and prone to the possibility of human error. In previous budget study session, staff considered input and suggestions in those sessions of providing a simple layout to allow for ease of understanding data, internal approval process tracking and further increasing transparency. For the last two fiscal year budget rounds, finance has been researching budget software layouts presented by multiple cities and meeting with software company representatives to review options available. The Tyler financial software only includes a budget module which allows the exporting and importing of final data after budget approval, it does not have a program to create a digital budget book linking all data.

Budgeting software is a comprehensive solution that will allow staff to implement a more streamlined process, track and link all data thus avoiding manual or formula errors. Budget software will allow internal interactive approval process between department directors, finance staff, as well as report any recommendations made during the final review by the City Administrator. The benefit of accuracy and amount of time saved from manual input can be used for strategic planning, forecasting, and broader analysis of the City of Gridley's Finances. The proposed package will include a digital budget book which promotes and allows for clear and transparent financial information to all.

In the recent review of software options, Finance staff has met with a total of three budget software providers and received proposals. In consideration of costs and software formats and ease of use, staff

believes that ClearGov will meet the City of Gridley's needs for an efficient budget development, easy to read reporting, a comprehensive, and a transparency friendly digital budget book. Therefore, finance staff is recommending approving the software product by ClearGov, which provided a comprehensive demo and presented reference from other cities and counties currently using the same financial software (Tyler ERP10). The software will provide access to the city's leadership team to track, view and plan their current budget, modify for midyear and track for future budgeting considerations.

The cost of ClearGov is a one-time fee of \$7,650.00 for set up and a 10-month pro-rata subscription fee of \$22,370.83 for the first year, then renewing annually on July 1st of the upcoming fiscal year 2024/2025 for the total cost of \$26,845.00 (annual subscription fee increase capped at 3%) until June 30, 2027.

Fiscal Impact

The budget software was previously approved and included in the FY 23-24 CIP budget, during the June 27, 2023, Special Council meeting.

Compliance with City Council Strategic Plan or Budget Goals

The City Council and City staff are committed to provide the best possible financial practices and the highest possible transparency regarding all financial transactions. This presentation is consistent with our ongoing effort to be responsive and transparent regarding all financial matters, as well as be congruent with best financial practices.

Statement of Work

This Statement of Work outlines the roles and responsibilities by both ClearGov and Customer required for the activation and onboarding of the ClearGov Service. ClearGov will begin this onboarding process upon execution of this Service Order. All onboarding services and communications will be provided through remote methods - email, phone, and web conferencing.

ClearGov Responsibilities

- ClearGov will activate ClearGov Service subscription(s) as of the applicable Start Date(s). ClearGov will create the initial Admin User account, and the Customer Admin User will be responsible for creating additional User accounts.
- ClearGov will assign an Implementation Manager (IM) responsible for managing the activation and onboarding process. ClearGov IM will coordinate with other ClearGov resources, as necessary.
- ClearGov IM will provide a Kickoff Call scheduling link to the Customer's Primary Contact. Customer should schedule Kickoff Call within two weeks after the Service Order has been executed.
- If Customer is subscribing to any products that require data onboarding:
 - ClearGov IM will provide a Data Discovery Call scheduling link to the Customer's Primary Contact. Customer should schedule Data Discovery Call based on the availability of Customer's staff.
 - ClearGov will provide Customer with financial data requirements and instructions, based on the ClearGov Service subscription(s).
 - ClearGov will review financial data files and confirm that data is complete, or request additional information, if necessary. Once complete financial data files have been received, ClearGov will format the data, upload it to the ClearGov platform and complete an initial mapping of the data.
 - After initial mapping, ClearGov will schedule a Data Review call with a ClearGov Data Onboarding Consultant (DOC), who will present how the data was mapped, ask for feedback, and address open questions. Depending upon Customer feedback and the complexity of data mapping requests, there may be additional follow-up calls or emails required to complete the data onboarding process.
- ClearGov will inform Customer of all training, learning, and support options. ClearGov recommends all Users attend ClearGov Academy training sessions and/or read Support Center articles before using the ClearGov Service to ensure a quick ramp and success. As needed, ClearGov will design and deliver customized remote training and configuration workshops for Admins and one for End Users - via video conference - and these sessions will be recorded for future reference.
- ClearGov will make commercially reasonable efforts to complete the onboarding/activation process in a timely fashion, provided Customer submits financial data files and responds to review and approval requests by ClearGov in a similarly timely fashion. Any delay by Customer in meeting these deliverable requirements may result in a delayed data onboarding process. Any such delay shall not affect or change the Service Period(s) as set forth in the applicable Service Order.

Customer Responsibilities

- Customer's Primary Contact will coordinate the necessary personnel to attend the Kickoff and Data Discovery Calls within two weeks after the Service Order has been executed. If Customer needs to change the date/time of either of these calls, the Primary Contact will notify the ClearGov IM at least one business day in advance.
- If Customer is subscribing to any products that require data onboarding:
 - Customer will provide a complete set of requested financial data files (revenue, expense, chart of accounts, etc.) to ClearGov in accordance with the requirements provided by ClearGov.
 - Customer's Primary Contact will coordinate the necessary personnel to attend the Data Discovery and Data Review calls. It is recommended that all stakeholders with input on how data should be mapped should attend. Based on these calls and any subsequent internal review, Customer shall provide a detailed list of data mapping requirements and requested changes to data mapping drafts in a timely manner, and Customer will approve the final data mapping, once completed to Customer's satisfaction.
- Customer will complete recommended on-demand training modules in advance of customized training & configuration workshops.
- Customer shall be solely responsible for importing and/or inputting applicable text narrative, custom graphics, performance metrics, capital requests, personnel data, and other such information for capital budget, personnel budget, budget books, projects, dashboards, etc.

City Council Agenda Item #4
Staff Report

Date: August 21, 2023

To: Mayor and City Council

From: Elisa Arteaga, Finance Director

Subject: Debt, Lease, and Subscription Management Software

X	Regular
	Special
	Closed
	Emergency

Recommendation

Staff respectfully requests the City Council review, consider, and approve the proposal from DebtBook and authorize the City Administrator to execute a three-year agreement with DebtBook for the total amount of \$19,500.00 for the next 3 years.

Background

Beginning fiscal year 2021/2022, GASB 87 and GASB 96 are new reporting accounting standards for government entities which aim to increase the financial information by providing a uniform approach to accounting for and reporting of leases (GASB 87) and GASB 96 which requires subscription-based IT arrangements (SBITAs) as well to be reported on the face of the financial statements and enhances the relevance and reliability of a government's SBITA information. The City's current debt management is managed manually by a Microsoft Excel file. DebtBook will facilitate the thorough review of each lease, determine if those fall under the criteria for reporting, track of all current and future leases, confirm accurate reporting of GASB 87 and GASB 96, and allow for the best practice processes for managing the city's debt, leases, and subscriptions.

During finance staff's comprehensive review of options for debt management reporting, DebtBook software provided a the most detailed and comprehensive demo to finance staff and presented staff with references from other cities and counties that use DebtBook. Finance Staff has met with a total of three debt management providers and staff believes that DebtBook will meet the City of Gridley's needs for an efficient debt management software.

Fiscal Impact

The original cost of DebtBook was \$9,500.00 per year. The city received a discount from DebtBook, and finance staff negotiated a lower price of \$6,500.00 per year for the next 3 years. This amount was budgeted in the CIP for FY 2023-2024 which was approved by council in the June 27, 2023, Special Council meeting.

Compliance with City Council Strategic Plan or Budget Goals

The City Council and City staff are committed to provide the best possible financial practices and the highest possible transparency regarding all financial transactions. This presentation is consistent with our ongoing effort to be responsive and transparent regarding all financial matters, as well as be congruent with best financial practices.

Notwithstanding the foregoing, each party may disclose Confidential Information to the limited extent required (1) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the party making the disclosure pursuant to the order must first give written notice to the other party; or (2) to establish a party’s rights under the Agreement, including to make required court filings.

(c) On the expiration or termination of the Agreement, the Receiving Party must promptly return to the Disclosing Party all copies of the Disclosing Party’s Confidential Information, or destroy all such copies and, on the Disclosing Party’s request, certify in writing to the Disclosing Party that such Confidential Information has been destroyed.

(d) Each party’s obligations under this Section are effective as of the Effective Date and will expire three years from the termination of the Agreement; provided, however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of the Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

(e) Notwithstanding anything in this Section to the contrary, if Customer is a Government Entity, then DebtBook expressly agrees and understands that Customer’s obligations under this Section are subject in all respects

to, and only enforceable to the extent permitted by, the public records laws, policies, and regulations of the Governing State.

Except as expressly stated in the SLA, DebtBook does not make any representation, warranty, or guarantee regarding availability of the Application Services, and the remedies set forth in the SLA are Customer's sole remedies and DebtBook's sole liability under the limited warranty set forth in this paragraph.

DEBTBOOK SPECIFICALLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE, OR TRADE PRACTICE. EXCEPT FOR THE LIMITED WARRANTY SET FORTH IN THIS SECTION, DEBTBOOK MAKES NO WARRANTY OF ANY KIND THAT THE DEBTBOOK IP, OR ANY PRODUCTS OR RESULTS OF THE USE THEREOF, WILL MEET CUSTOMER'S OR ANY OTHER PERSON'S REQUIREMENTS, OPERATE WITHOUT INTERRUPTION, ACHIEVE ANY INTENDED RESULT, BE COMPATIBLE OR WORK WITH ANY SOFTWARE, SYSTEM, OR OTHER SERVICES, OR BE SECURE, ACCURATE, COMPLETE, FREE OF HARMFUL CODE, OR ERROR FREE.

(d) DebtBook exercises no control over the flow of information to or from the Application Service, DebtBook's network, or other portions of the Internet. Such flow depends in large part on the performance of Internet services provided or controlled by third parties. At times, actions or inactions of such third parties can impair or disrupt connections to the Internet. Although DebtBook will use commercially reasonable efforts to take all actions DebtBook deems appropriate to remedy and avoid such events, DebtBook cannot guarantee that such events will not occur. ACCORDINGLY, DEBTBOOK DISCLAIMS ANY AND ALL LIABILITY RESULTING FROM OR RELATING TO ALL SUCH EVENTS, AND EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THE AGREEMENT, ANY OTHER ACTIONS OR INACTIONS CAUSED BY OR UNDER THE CONTROL OF A THIRD PARTY.

8. Indemnification.

(a) DebtBook Indemnification.

(i) DebtBook will indemnify, defend, and hold harmless Customer from and against any and all losses, damages, liabilities, costs (including reasonable attorneys' fees) (collectively, "**Losses**") incurred by Customer resulting from any third-party claim, suit, action, or proceeding ("**Third-Party Claim**") that the Application Services, or any use of the Application Services in accordance with the Agreement, infringes or

misappropriates such third party's US patents, copyrights, or trade secrets, provided that Customer promptly notifies DebtBook in writing of the Third-Party Claim, reasonably cooperates with DebtBook in the defense of the Third-Party Claim, and allows DebtBook sole authority to control the defense and settlement of the Third-Party Claim.

(ii) If such a claim is made or appears possible, Customer agrees to permit DebtBook, at DebtBook's sole expense and discretion, to (A) modify or replace the DebtBook IP, or component or part of the DebtBook IP, to make it non-infringing, or (B) obtain the right for Customer to continue use. If DebtBook determines that neither alternative is reasonably available, DebtBook may terminate the Agreement in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer, so long as, in each case, DebtBook promptly refunds or credits to Customer all amounts Customer paid with respect to the DebtBook IP that Customer cannot reasonably use as intended under the Agreement.

(iii) DebtBook's indemnification obligation under this Section will not apply to the extent that the alleged infringement arises from Customer's use of the Application Services in combination with data, software, hardware, equipment, or technology not provided or authorized in writing by DebtBook or modifications to the Application Services not made by DebtBook.

(b) Sole Remedy. SECTION 8(a) SETS FORTH CUSTOMER'S SOLE REMEDIES AND DEBTBOOK'S SOLE LIABILITY FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE SERVICES INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY THIRD PARTY'S INTELLECTUAL PROPERTY RIGHTS. IN NO EVENT WILL DEBTBOOK'S LIABILITY UNDER SECTION 8(a) EXCEED \$1,000,000.

(c) Customer Indemnification. Customer will indemnify, hold harmless, and, at DebtBook's option, defend DebtBook from and against any Losses resulting from any Third-Party Claim that the Customer Data, or any use of the Customer Data in accordance with the Agreement, infringes or misappropriates such third party's intellectual property rights and any Third-Party Claims based on Customer's or any Authorized User's negligence or willful misconduct or use of the Services in a manner not authorized by the Agreement. THE EXCLUSIONS AND LIMITATIONS IN THIS SECTION DO NOT APPLY TO CLAIMS PURSUANT TO SECTION 8.

10. Term and Termination.

(a) Term. Except as the parties may otherwise agree in the Customer Terms, or unless terminated earlier in accordance with the Agreement:

(i) the Agreement will automatically renew for successive 12-month Renewal Terms unless either party gives the other party written notice of non-renewal at least 30 days before the expiration of the then-current term; and

(ii) each Renewal Term will be subject to the same terms and conditions established under the Agreement, with any Fees determined in accordance with DebtBook's then-current pricing schedule, as provided to Customer at least 60 days before the expiration of the then-current term.

(b) Termination. In addition to any other express termination right set forth in the Customer Terms:

(i) DebtBook may terminate the Agreement immediately if Customer breaches any of its obligations under Section 2 or Section 5;

- (ii) Customer may terminate the Agreement in accordance with the SLA;
 - (iii) either party may terminate the Agreement, effective on written notice to the other party, if the other party materially breaches the Agreement, and such breach: (A) is incapable of cure; or (B) being capable of cure, remains uncured 30 days after the non-breaching party provides the breaching party with written notice of such breach;
 - (iv) if Customer is a Government Entity and sufficient funds are not appropriated to pay for the Application Services, then Customer may terminate the Agreement at any time without penalty following 30 days prior written notice to DebtBook; or

- (c) Survival. Only this Section and Section 1 (Definitions), Sections 4 through 6 (Fees; Confidential Information; Intellectual Property), Section 7(c) (Disclaimer of Warranties), and Sections 8, 9 and 12 (Indemnification; Limitations of Liability; Miscellaneous) will survive any termination or expiration of the Agreement.

11. Independent Contractor. The parties to the Agreement are independent contractors. The Agreement does not create a joint venture or partnership between the parties, and neither party is, by virtue of the Agreement, authorized as an agent, employee, or representative of the other party.

12. Miscellaneous.

(a) Governing Law; Submission to Jurisdiction. The Agreement will be governed by and construed in accordance with the laws of the Governing State, without regard to any choice or conflict of law provisions, and any claim arising out of the Agreement may be brought in the state or federal courts located in the Governing State. Each party irrevocably submits to the jurisdiction of such courts in any such suit, action, or proceeding.

(b) Entire Agreement; Order of Precedence. The Order Form, the Customer Terms, the Terms & Conditions, and the Incorporated Documents constitute the complete Agreement between the parties and supersede any prior discussion or representations regarding Customer's purchase and use of the Services.

To the extent any conflict exists between the terms of the Agreement, the documents will govern in the following order or precedence: (1) the Customer Terms, (2) Order Form, (3) the Terms & Conditions, and (4) the Incorporated Documents. No other purchasing order or similar instrument issued by either party in connection with the Services will have any effect on the Agreement or bind the other party in any way.

(c) Amendment; Waiver. No amendment to the Order Form, the Terms & Conditions, or the Customer Terms will be effective unless it is in writing and signed by an authorized representative of each party. DebtBook may update the Incorporated Documents from time-to-time following notice to Customer so long as such updates are generally applicable to all users of the Services. No waiver by any party of any of the provisions of the Agreement will be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in the Agreement, no failure to exercise, delay in exercising, or any partial exercise of any rights, remedy, power, or privilege arising from the Agreement will in any way waive or otherwise limit the future exercise of any right, remedy, power, or privilege available under the Agreement.

(d) Notices. All notices, requests, consents, claims, demands, and waivers under the Agreement (each, a "Notice") must be in writing and addressed to the recipients and addresses set forth for each party on the Order Form (or to such other address as DebtBook or Customer may designate from time to time in accordance with this Section). All Notices must be delivered by personal delivery, nationally recognized overnight courier (with all fees pre-paid), or email (with confirmation of transmission), or certified or registered mail (in each case, return receipt requested, postage pre-paid).

(e) Force Majeure. In no event will either party be liable to the other party, or be deemed to have breached the Agreement, for any failure or delay in performing its obligations under the Agreement (except for any obligations to make payments), if and to the extent such failure or delay is caused by any circumstances beyond such party's reasonable control, including acts of God, flood, fire, earthquake, pandemic, epidemic, problems with the Internet, shortages in materials, explosion, war, terrorism, invasion, riot or other civil unrest, strikes, labor stoppages

or slowdowns or other industrial disturbances, or passage of law or any action taken by a governmental or public authority, including imposing an embargo.

(f) Severability. If any provision of the Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability will not affect any other term or provision of the Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

(g) Assignment. Either party may assign its rights or delegate its obligations, in whole or in part, on 30 days prior written notice to the other party, to an affiliate or an entity that acquires all or substantially all of the business or assets of such party, whether by merger, reorganization, acquisition, sale, or otherwise. Except as stated in this paragraph, neither party may assign any of its rights or delegate any of its obligations under the Agreement without the prior written consent of the other party, which consent may not be unreasonably withheld, conditioned, or delayed. The Agreement is binding on and inures to the benefit of the parties and their permitted successors and assigns.

(h) Marketing. Neither party may issue press releases related to the Agreement without the other party's prior written consent. Unless otherwise provided in the Customer Terms, either party may include the name and logo of the other party in lists of customers or vendors.

(i) State-Specific Certifications & Agreements. If Customer is a Government Entity and to the extent required under the laws of the Governing State, DebtBook hereby certifies and agrees as follows:

(i) DebtBook has not been designated by any applicable government authority or body as a company engaged in the boycott of Israel under the laws of the Governing State;

(ii) DebtBook is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in the Agreement by any governmental department or agency of the Governing State;

(iii) DebtBook will not discriminate against any employee or applicant for employment because of race, ethnicity, gender, gender identity, sexual orientation, age, religion, national origin, disability, color, ancestry, citizenship, genetic information, political affiliation or military/veteran status, or any other status protected by federal, state, or local law;

(iv) DebtBook will verify the work authorization of its employees using the federal E-Verify program and standards as promulgated and operated by the United States Department of Homeland Security and, if applicable, will require its subcontractors to do the same; and

(v) Nothing in the Agreement is intended to act as a waiver of immunities that Customer has as a matter of law as a Government Entity under the laws of the Governing State, including but not limited to sovereign or governmental immunity, public officers or official immunity or qualified immunity, to the extent Customer is entitled to such immunities.

(j) Execution. Any document executed and delivered in connection with the Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. To the extent permitted by applicable law, electronic signatures may be used for the purpose of executing the Order Form by email or other electronic means. Any document delivered electronically and accepted is deemed to be "in writing" to the same extent and with the same effect as if the document had been signed manually.
