

FY 2021-22

Operating Budget and Capital Improvement Plan

Gridley's Purpose...

Our purpose is to continuously enhance our community's vitality and overall quality of life. We are committed to providing high quality, cost-effective municipal services and forming productive partnerships with our residents and regional organizations. We collectively develop, share, and are guided by a clear vision, values, and meaningful objectives

Mayor	Bruce Johnson
Vice Mayor	Mike Farr
Council Member	Catalina Sanchez
Council Member	Zachary Torres
Council Member	Angel Calderon

Appointed Officials

City Administrator	Cliff Wagner
Finance Director	Elisa Arteaga
Electric Utility Director	Danny Howard
Fire Chief	Sean Norman
Police Chief	Rodney Harr
Public Works Director	Ross Pippitt
Recreation Coordinator	Katrina Leishman
Contract City Attorney	Tony Galyean
Contract City Engineer	Dave Harden
Contract City Planner	Donna Decker

Type of Government

The Constitution of the State of California established two types of cities: Charter and General Law. A Charter City has considerably more authority than a General Law City to tax, regulate and adopt its own procedures and organization. A General Law City, on the other hand, may exercise only those powers expressly given to it under State law. The City of Gridley is a General Law City and utilizes the Council/City Administrator form of government.

FY 21-22 BUDGET RESOLUTIONS	125

Honorable Mayor and Members of the City Council,

On behalf of City staff, we are pleased to submit the Fiscal Year 2021-2022 Annual Operating Budget and Capital Improvement Plan (CIP). The budget serves as a financial analysis of revenues and expenditures forecasted for the upcoming fiscal year, July 1, 2021 through June 30, 2022. The budget provides long and short-term goals, financial and policy management guidelines containing information and prioritization relevant to public services, strategic community planning and capital projects. The fund summaries provide an overview of the financial condition of the funds that comprise the overall budget. Each fund section within the budget provides lists of goals and accomplishments for each department.

The City Council and City staff are committed to provide the best financial practices and the highest possible transparency regarding all financial transactions. The FY 2021-22 Operating Budget is the City's comprehensive effort to present a policy document which preserves fiscal stability and at the same time enables staff to accomplish crucial projects and services. Adopting the annual budget which enables the City to sustainably and efficiently provide services.

The budget schedule below highlights the process required to develop the Annual Operating Budget and Capital Improvement Plan (CIP). The budget process included a series of inter-departmental meetings and two budget study sessions before City Council and the public for review and input.

Budget Process

Challenges during COVID-19

The City has experienced many challenges due to being faced with a global pandemic. It was a steady changing environment lead by state regulations relating to public health, stay at home orders, closures of public offices, social distancing, remote work transitioning, as well as growing concerns of the economic and local business stability. The City quickly adapted to meet the standards required by new regulations relating to COVID-19. Below were some of the major accomplishments and challenges.

1. **New Policies and Safety PPE-** The City adopted the new Injury and Illness Prevention Policy IIPP which included COVID-19 policy regulation guidelines. Masks and gloves and hand sanitizers were located throughout City properties.
2. **Loss of Enterprise Fund Revenues –** During the global pandemic of COVID-19, the City did not continue the normal collection process for all utility accounts. The moratorium resulted in a loss of utility revenue approximately \$698,000 in the 20-21 enterprise funds. During budget study sessions staff has recommended joint workshops to evaluate and develop a plan for addressing delinquent commercial and residential utility accounts.
3. **Staffing Levels and Services-** Police, Electric and Public Works Departments continued providing pre-Covid-19 levels of service. Recreation, Finance and Administration, were closed for a period of time. Although, the public lobby was closed and later opened with reduced lobby hours, staff was in City Hall and available during regular hours by phone and by appointments. To further protect employees from any possible exposure to COVID-19, and having limited finance staff, separate shifts alternating staff helped meet the social distancing requirements.
4. **Adapting to Remote Meetings –** The City quickly transitioned to adapting to virtual meetings and remote work projects. City Council meetings have also recently transitioned from phone line links to installing equipment for video conferencing.
5. **Software Conversion –**The software conversion project was adversely affected. Vital software training during conversion was also delayed to due the affects of COVID-19 and scheduled training postponed due to the new software company experiencing a security breach. The security breach did not affect the City as the City had not yet transitioned the data, it only delayed department staff from receiving adequate training. Currently, Staff has converted all financial balances into the new software, the last step would be to complete the bank reconciliation module process for FY 20-21 which will allow for staff to have an accurate final product and financial ending balances for all funds. It is recommended moving forward, staff present to Council, quarterly financial reports balances to further evaluate the enterprise fund balances in particular the water and sewer enterprise funds which are a growing concern.
6. **Audit Delays FY 19/20 –** Covid-19 has resulted in the City experiencing low staffing and closures during COVID-19 which delayed the FY 19/20 audit. All audit field visits were canceled due to social distancing requirements and remote field visits were scheduled instead. Staff anticipates the FY 19/20 audit will be presented in July, 2021 for Council review. Historically, the City Council annually receives an in-depth analysis of the financial practices and condition from a highly reputable third-party and independent financial auditor. The FY 18-19 audit was last presented by the independent third-party auditor which was a positive assessment of our City finances, covering all operations and services. City staff presented an overview of the City's finances including the critical issues facing citywide fiscal solvency, including the inadequate fund balances of the Water and Sewer Enterprise Funds.

General Fund

The majority of General Fund costs are comprised of public safety personnel costs (Fire and Police) being the highest percentage 60%. Parks & Recreation is second due to park capital improvement projects that are scheduled for Vierra Park Improvements. The City will receive grant funding for those capital projects. During budget study sessions, City Council was provided an overview by Chief Harr regarding new regulations for reporting as well as radio equipment that will need to be purchased in order meet state and federal requirements. Historically, the General Fund had maintained a positive fund balance for the past budget cycles, but later followed a series of deficit years. At that time, Staff took measures to address the fund challenges; including furloughs, layoffs, reduction of operating costs, deferment of projects, an implementation of an early retirement program, and an overall effort to relieve the burden on the City's General Fund. During the last three fiscal years following the 2017 Campfire, the city has been receiving significant revenue related to the lease of the Industrial Park to FEMA. The FEMA Lease has been extended to 12/31/2021. The general fund revenue will decrease by 50% for FY 21-22 compared to prior year. Therefore, Staff has expressed the need for future workshops to collaborate and address the general fund future shortfalls and promote a plan that will allow for solutions and future sustainability of the

	SUBTOTAL GENERAL FUND	6,859,571	5,762,742	6,530,950

general fund.

General Fund Revenue

General Fund revenue is to decrease due to the short-term lease revenues from the Gridley Camp Fire FEMA Community. It is important to keep in mind, revenues will decrease next year due to the expiration of the FEMA Lease revenue to the general fund.

The expenses for services and supplies has decreased, however capital projects have increased. The total General Fund Budget is \$6,530,950. The increases are primarily due to the capital parks projects and the addition safety personnel (Records Dispatcher, School Resource Office and additional police officer). The City has applied for parks grants that will fund the projects as well as will be reimbursed for the School Resource officer through the School District. The Fire contract did increase from prior year, however, due to a SAFER Grant the City is expected to receive a reimbursement of approximately \$325,000 and also additional revenue from leasing of equipment during fire season (anticipate \$160,000). The budget also includes corresponding reductions of Police overtime.

It is anticipated that due to hiring additional officers there will be adequate shift coverage resulting in less overtime. The City continues to experience Health Premium and PERS Retirement cost increases. CalPERS estimates that local government costs could rise 9% in the next four years. It is anticipated the Health Premium is rising 8.79% percent. This is in addition to cost increases experienced thus far. Police and Fire represent 60% of the General Fund budget.

General Fund Expenditure by Character - Last 10 Years

General Fund Expenditures by Function - Last 10 Years

General Fund Expenditures by Department - Proposed Budget

General Fund Expenditures by Category - Proposed Budget

Overall, estimated ADOPTED FY 2021-2022 budget leaves an estimated general fund balance of \$2,731,612. This budget does not build upon our reserves, the currently phased in General Fund reserve balance level of 15% is \$1,250,251. The ultimate General Fund Reserve Balance goal is 20% by FY 2024-25.

Special Revenue Funds

The Special Revenue Funds are expected to fully utilize revenue for their designated purposes. Most of the increase in revenue is due to an expected increase in the amount of Successor Agency funds for repayment of redevelopment expenditures and an increase in gas tax funds.

Enterprise Funds

ENTERPRISE FUNDS		ACTUALS FY 19-20	PROJECTED FY 20-21	PROPOSED FY 21-22
Electric Fund		4,759,998	6,485,158	6,557,496
Public Benefit Fund		221,073	155,608	137,770
Water Utility Fund		840,446	1,036,490	1,781,115
Sewer Utility Fund		1,297,034	1,882,474	1,855,119
SB 325 Taxi Fund		106,912	120,469	123,313
		ACTUALS FY 19-20	PROJECTED FY 20-21	PROPOSED FY 21-22
1000-1999	PERSONNEL	\$ 2,658,997	\$ 2,650,612	\$ 2,666,590
2000-5800	SERVICES & SUPPLIES	4,074,370	4,743,287	5,142,021
5900-5901	DEBT SERVICE	175,846	45,000	105,999
6000-6300	CAPITAL	219,363	1,023,555	1,635,040
6500-6999	RESERVES	(60,660)	551,925	537,517
7000-8600	INDIRECT COSTS	157,547	665,821	367,646
TOTAL ENTERPRISE FUNDS		7,225,463	9,680,199	10,454,814

All totaled, the City’s Enterprise Funds include \$10,454,814 of expenditures, primarily providing healthy water, safe and reliable electric services, federal and state compliant sewer collection and treatment processes, and quality local transit operations. Enterprise revenues are expected to increase as new housing development projects are completed in the next two years. The additional housing and population of utility users provide additional revenue to both enterprise and general funds.

As previously shared, as of June 1, 2021, the number of FEMA Modular Housing Units (MLU’s) has reduced to approximately 39 units that contribute to the enterprise funds. That trend is anticipated to continue in FY 2020-21 as we near the end of the lease date (12/31/2021). Furthermore, because of COVID-19, there were dramatic reduction of utility enterprise revenues in FY 20-21. Staff recommends holding future study sessions and develop a plan to assist the community with utility bills as well as American Recovery Funds, to aid recovery of revenues and certain capital projects.

ENTERPRISE FUND REVENUE - PROPOSED BUDGET

Enterprise Funds Expenses - Proposed Budget

Enterprise Fund Expenses by Category - Proposed Budget

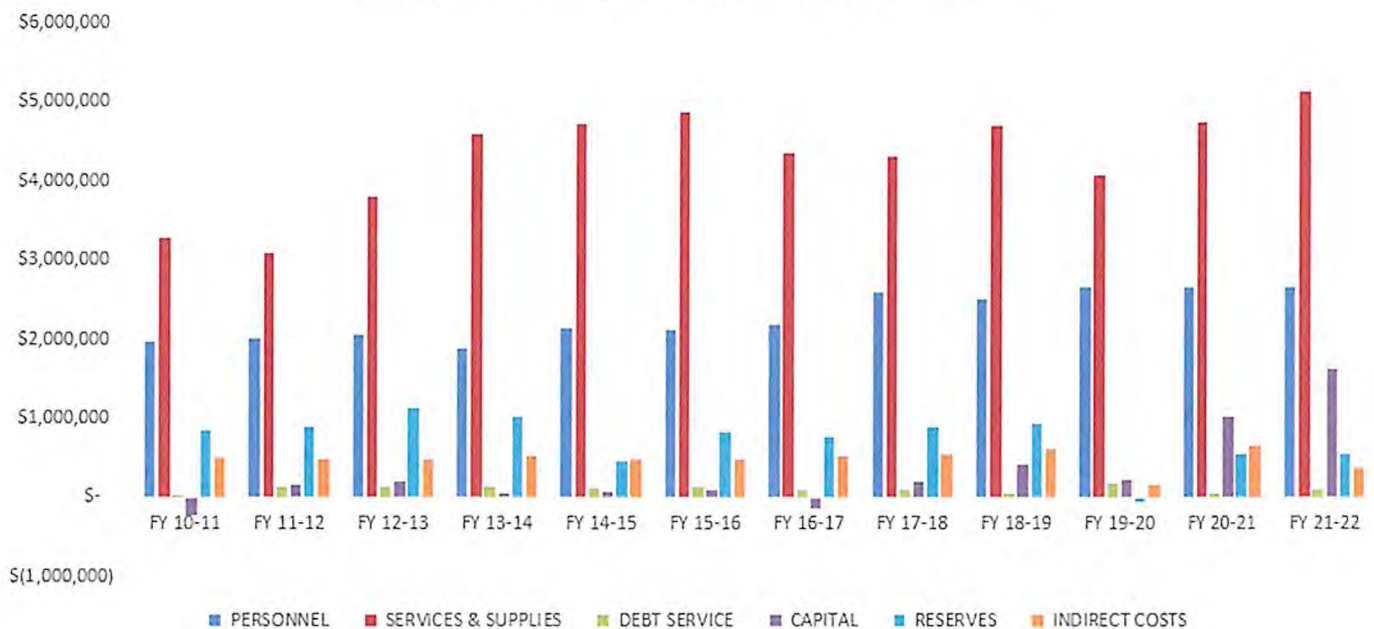

Electric Enterprise Fund expenditures are expected to increase, primarily driven by increases in Electric power and transmission costs and a rise in services and supply costs. Water and Sewer expenditures include several essential Capital Improvement Projects (CIP's) described in the last section of this document. Below represent the expense trends for the last 10 years. The Electrical fund expenses are higher due to the rising cost of power purchases and capital projects. The Water fund expenses are contributed to capital improvement projects.

Enterprise Fund Expenses - Last 10 Years

Enterprise Fund Expenses by Category - Last 10 Years

Significant Concerns

Although, there have been substantial revenues in both the general and enterprise funds, primarily due to the FEMA Lease, the Water Fund and Sewer Fund have reached alarming and unacceptable low fund levels. Furthermore, there are growing concerns of the general fund possibly reaching a deficit in the future, it is imperative the City begin addressing this matter immediately. As mentioned in the previous budget sessions, Staff recommends preparing a plan to include a thorough review of the master fee schedules as well as service contracts and analysis of ongoing expenses to include alternative revenue streams. Operating expenses have increased due to increasing costs of supplies and services. In the past, it has been brought to the attention of Council by staff that the annual deficits are primarily due to the lack of any rate adjustments over the past 11 years. The Sewer Fund capital projects required to meet new regulations are projected to have a problematic future deficit. Staff will closely monitor and report at the conclusion of the software conversion and bank reconciliations. During the budget sessions, it was the consensus to schedule future workshops to discuss solutions to the any deficits in the general and enterprise funds. Water and sewer rate study project line items have been added to the Capital Improvement Projects listing for FY 21-22. As we move forward, we will continue to closely monitor all fund balances on a quarterly basis and keep City Council informed through a series of workshops and open forum discussions.

Capital Improvement Program

Following a practice implemented over the past two years, a detailed Capital Improvements Program (CIP) has been developed and added to the annual Operating Budget process. For the CIP master plan, departments forecasted every vehicle, equipment, project, and improvement that meets internal capital criteria and planned the expenditures over 10 years in a methodical, financially viable infrastructure plan. Throughout the budget process, staff examined the importance of all requested CIP items against both the available reserves and City priorities.

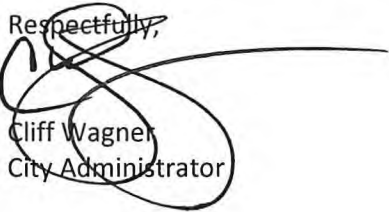

Conclusion

The City Council has continued to provide fiscal leadership and positive guidance in setting the overall priorities for operations and capital facilities through their strategic planning sessions and budget discussions. This year's budget continues to provide for the maintenance of critical services and public facilities. The capital budget focuses on the maintenance and enhancement of our existing infrastructure including streets, parks, water, sewer and electric.

Following the improvement in financial position in the last few years, the adopted budget continues to aid in fiscal guidelines set forth. Being fiscally conservative in all funds, is important as we strive to meet reserve fund policy criteria and overall long-term feasibility plan. Moving forward, it is vital that we continue to address and monitor the critically low balance of the Water and Sewer Funds. We must address any issues with funds that can be deemed unsustainable in the future. Staff recommends continued monitoring, workshops to develop a financial strategic plan, quarterly reporting of all funds as well as continued implementation of adequate reserve fund policies to ensure the safety of City operations across all funds.

City of Gridley Staff and Council will continue to strive to evaluate and update its long-term financial plan semi-annually, with intermediate reviews on a quarterly basis. The City remains committed to frequent status reviews in an effort to respond to changing circumstances in an appropriate manner. It is through the support of the City Council that staff can advance in all areas of customer service, improve city infrastructure, promote growth and support to a growing and diverse community. Through, the global pandemic the City took initiatives to continue to support the community by providing the best possible public services to the community. Furthermore, the City will continue to focus on recovery efforts and maintenance of fiscal responsibility. Special recognition goes to our employees for continuing to work hard and serve the residents of our community with a high level of public service. Additionally, our Department Directors, and Finance and Administrative Staff deserve special recognition for their dedicated efforts and countless hours in putting together the City's financial plan for the next fiscal year.

Respectfully,

Cliff Wagner
City Administrator

BUDGET GUIDE

Introduction

The City's budget is an important policy document. It serves as a financial plan and identifies the spending priorities for the organization. The budget is used to balance available resources with community needs, as determined by the City Council. It also serves as a tool for communication of the City's financial strategies and for ensuring accountability. The fiscal year for this budget begins on July 1, 2020 and end on June 30, 2021.

Budget Process

The City Administrator is responsible for preparing the budget, submitting it to the City Council for adoption, and administering the budget after adoption. The following process was utilized to develop the FY 20-21 Annual Operation Budget and CIP:

The Finance Department prepares the first four steps above in the budget process. Departments prepare their budget requests and justifications for their requests. The requests generally will encompass each budget category. The Finance Department reviews each budget request and validates accuracy of cost assumptions. Each Department is given the opportunity to add justifications or to provide additional information in support of their requests. In late May the City Administrator, Finance Director, and Department Directors work to refine their budget requests. Budget review hearings are then held with the City Council. During the series of review meetings, the preliminary recommendations of the City Administrator and Finance are considered by the City Council to determine the ADOPTED Budget. Upon adoption, the Finance Division prepares for the start-up of the new fiscal year by recording the appropriations and estimated revenues into the accounting system. The Finance Department then prepares the final document for distribution to City officials and other interested parties.

Basis of Budgeting

The budget adopted by City Council is prepared on a budgetary basis. The budgetary basis differs from GAAP basis in the following areas:

1. The City does not budget for GASB 31 interest income.
2. The City does not budget for accounts payable.
3. The City does not budget for benefit accruals.
4. In proprietary fund types the City does not budget for depreciation but does budget for capital assets as expenditures.
5. In proprietary fund types the City includes debt proceeds as revenue.

The City Administrator is authorized to transfer appropriations between Divisions of a Department within any fund; however, any revisions that alter the total expenditures of any fund require City Council resolution, unless the Council has given authority to the City Administrator to increase total appropriations. (Such as in grant expenditures when grant revenue equal or exceeds the expenditure and appropriation carryovers).

The Accounting System, Budgetary Control, and Financial Policies

The City of Gridley accounting records are maintained in accordance with Generally Accepted Accounting Principles (GAAP), as established by the Governmental Accounting Standards Board (GASB). Government fund types (General Fund, Special Revenue Funds, Capital Project Fund, and Debt Service Funds), and Agency funds expendable trust funds are maintained on a modified accrual basis of accounting. Proprietary fund types (Enterprise Funds) are maintained on an accrual accounting basis.

A carefully designed system of internal accounting and budgetary controls is used to ensure that revenues and expenditures/expenses are tracked and used as intended. These controls are designed to provide reasonable, but not necessarily absolute, assurance with respect to the reliability of financial and budgetary records for use in the preparation of financial statements as well as accountability for all of the City of Gridley assets. The concept of reasonable assurance recognizes that the cost of control should not exceed the benefits and that the evaluation of costs and benefits likely to be derived thereof require estimates and judgments by management. The system is reviewed as regularly as possible and as required by independent, certified public accountants.

The City Council establishes budgets for all governmental funds. Budgetary control is legally maintained at the fund level. Department Directors submit a proposed budget to the City Administrator. The Administrator prepares an estimate of revenues and prepares recommendations for the next year's budget. The preliminary budget may or may not be amended by the City Council after public hearings are held and is adopted by City Council resolution prior to July 1 in accordance with the municipal code. The City Council may amend the budget by motion during the fiscal year. The City Administrator is authorized to transfer budgeted amounts within an object or purpose within any Department. However, the City Council must approve revisions that alter the total expenditures of any Department.

Expenditures may not legally exceed appropriations at the fund level, which is the legal level of control. Supplemental appropriations, which increase appropriations, may be made during the fiscal year. All budget amounts presented in the accompanying financial statements and supplementary information have been adjusted for legally authorized revisions of the annual budgets during the year. These amounts represent the original budgeted amounts and all supplemental appropriations.

Budget information is presented for the General Fund and major special revenue funds. The budget information is presented on a basis consistent with GAAP. Governmental Fund budgets are maintained on the modified accrual basis of accounting. Appropriations, except open project appropriations, and unexpended grant appropriations lapse at the end of each fiscal year. The budgetary data is prepared on the modified accrual basis consistent with the related "actual" amounts.

The City has adopted the following budgetary policies (via resolution 2014-R-036):

1. When expenditures are incurred for purposes for which both restricted and unrestricted (committed, assigned, or unassigned) fund balances are available, the City's policy is to first apply restricted fund balance. When expenditures are incurred for purposes for which committed, assigned, or unassigned fund balances are available, the City's policy is to first apply committed fund balance, then assigned fund balance, and finally unassigned fund balance.
2. This policy delegates to the Finance Director the authority to assign unrestricted fund balance amounts where the City's intent is for those amounts to be used for specific purposes. This delegation of authority is for the sole purpose of reporting these amounts in the annual financial statements.
3. By Fiscal Year 2024-2025, the General Fund should have a minimum fund balance of 20% of the next year's General Fund annual budgeted operating expenditures, as calculated by the Finance Director. This target amount has been established in order to provide a reasonable level of assurance that the City's day-to-day operations will be able to continue even if circumstances occur where revenues are insufficient to cover expenditures. The General Fund's minimum fund balance policy is reported in the notes to the annual financial statements. The minimum fund balance is shown in the annual financial statements as unassigned fund balance. This portion of the policy will be met by planning to set aside a minimum of \$100,000 from the General Fund every year until the 20% goal is maintained. By way of practice Enterprise Funds shall always have a minimum fund balance of 25% of the next year's General Fund annual budgeted operating expenditures, as calculated by the Finance Director. This target amount has also been established in order

to provide a reasonable level of assurance that the City's day-to-day operations will be able to continue even if circumstances occur where revenues are insufficient to cover expenditures.

Fund Types

Government accounting requires the segregation of funds by type. The City of Gridley uses four distinct fund types. These fund types include: General, Special Revenue, Enterprise, and Trust and Agency funds.

The General Fund is used to record all resources and expenditures not required to be accounted for in another fund type. Special Revenue funds account for the proceeds of legally restricted resources earmarked for specific purposes. The revenue for the Special Revenue Funds generally consists of revenue from other governmental agencies and from fees for services. These funds are generally restricted and can only be used for specific purposes.

Expenditures can be appropriated within the fund itself or transferred to another fund as reimbursement for expenditures. Enterprise Funds are established to account for operations that are financed and operated similar to private business. The intent of the City is to match costs associated with the enterprise operation with the revenues generated. The City's enterprise funds include the Electric, Water and Wastewater Funds. In Trust and Agency funds all revenues are restricted to related expenditures within the responsible fund and are typically held in trust.

Revenues

Revenues are monies received by the City and are reported by source as follows: Taxes; Licenses and Permits; Interest and Rents; Revenues from other Agencies; Fees, and Other Revenues.

Taxes are compulsory charges levied by a governmental agency for the purpose of financing services performed for the common benefit. Primary sources are Property Tax, Sales Tax, and Transient Occupancy Tax. Licenses and Permits represent a voluntary or officially given right to levy a charge for a service provided. For example, primary sources of revenue from permits are those generated for approval of construction projects within the City limits, i.e., building permits. Interest and Rents identifies revenue received from investments or rental of assets. Revenues from other Governmental Agencies contribute revenue to the City by participating in specifically approved City activities. Revenues can be received from federal, state, county, or other local governmental agencies. Revenues for the most part are restricted to the guidelines developed by the governmental agency allocating the funds. Some of these include motor vehicle in-lieu fees, state mandated claims, Housing and Urban Development funds, various grants from the State of California and the federal government. Charges for Current Services are user charges applied to specific services provided by the City. The charges are established by resolution adopted by the City Council. Examples of charges for current services are recreation fees, plan check fees, inspection fees, and fingerprinting fees. Other Revenues are those resources not accounted for in any other category. They include miscellaneous revenue, compensation/property damage, and contributions.

Expenditures

Expenditures are divided into four categories: Salaries and Benefits; Services and Supplies, Debt Service, and Capital Outlay.

Salaries and benefit costs account for all direct and indirect costs of City personnel. Services and Supplies represent non-personnel and non-capital expenditures for the operation of each Department. Debt Service includes the principal and interest payments on all long-term debt, and loans made to residents from CDBG grants. Capital Outlay accounts for any capital improvement, project, or equipment purchases over \$5,000. Items that were once budgeted as capital outlay, i.e. computer equipment, are now budgeted as operating materials and supplies. These items are recorded separately.

Other Budgetary Mechanisms

Transfers in represent inflows from other funds that do not qualify as revenues. Transfers out represents outflows of funds that do not qualify as expenditures. Available Fund balance in this report is the cumulative (all prior years) difference in all revenues less all expenditures, primarily on a budgetary basis. Ending fund balance is the beginning

fund balance increased by all currently budgeted revenues less currently budgeted expenditures, primarily on a budgetary basis. The City of Gridley is required by State law to calculate and publish appropriations limit each fiscal year. This appropriations limit is commonly referred to as the "Gann Limit." This figure represents the maximum amount that the City could spend in certain categories per State law.

CHART OF ACCOUNTS

1000 SALARIES

Cost of any department labor used for any specific departmental activities and costs from other Departments charged to this Department based on detailed time sheets submitted by the employees or prior time studies

1001 EXTRA HELP

Part-time and temporary labor

1002 OVERTIME

Overtime costs of any department

1100-1903 INSURANCE/EMPLOYEE BENEFITS COSTS

This represents the total cost of employee insurance and benefits. A summary of the wages and benefits for all employees in their "home" department is shown in the Employee Salary/Benefits section.

1600 INFRASTRUCTURE PROTECTION

Public safety staff time allocated to protection of City's critical infrastructure

2000 CLOTHING & SAFETY MATERIALS

Includes rental, cleaning and purchase of safety clothing, purchase of steel-toed boots, and safety training materials or uniform allowance

2100 COMMUNICATIONS

Represents the cost of phone lines DSL internet service to the department. In addition, department pagers, cellular phone allowance eligible employees

2300 HOUSEHOLD EXPENSE

Represents the cost of miscellaneous supplies

2400 GENERAL INSURANCE

This includes an allocation for liability insurance based on a pro-rata percentage of this department's operating budget to the City's total operating budget

3000 EQUIPMENT MAINTENANCE

Equipment maintenance costs of all departments. Includes service contracts on equipment such as copiers.

3200 MAINTENANCE - STRUCTURES/IMPROVEMENTS

3300 MEMBERSHIPS

3500 OFFICE EXPENSE

3600 PROFESSIONAL SERVICES.

Audit costs, consultants and costs of out-sourcing services

3800 EQUIPMENT RENT

3950 SMALL TOOLS

3960 FUEL

Fuel used in vehicles and power equipment

4000 SPECIAL DEPARTMENTAL EXPENSE

Special departmental expenses are unique to every department. Expenditures are documented in the individual departmental budgets.

4400 UTILITIES

Reflects the cost of Gridley Municipal Utility supplied electricity, water and sewer services.

6501 IMPROVEMENT RESERVE**6502 CONTINGENCY RESERVE****7004 FINANCE COSTS RECEIVED**

Allocation of joint administrative costs to the cost centers.

7009 LEGAL COSTS

Allocation of legal costs to the cost centers

7012 ADMINISTRATION COSTS RECEIVED

Allocation of joint administrative costs to the cost centers

7020 ENGINEERING COSTS

Allocation of engineering costs to the cost centers utilizing engineering costs

FY 21-22 EXPENDITURES **ADMINISTRATION**

CITY COUNCIL

The City Council is the governing body of the City. The five Council members are elected at large by the voters of Gridley for four-year terms. The Mayor is elected by a majority vote of the City Council. The Council sets the policy for the City and adopts an annual budget. The budget for the City Council includes a portion of staff salaries which directly serve the Council, and City Council stipends, which have been set by the electorate at \$200 per member per month. The largest non-personnel expenditure categories are professional services and special departmental expense.

CITY ADMINISTRATOR

The City Administrator is responsible for overall leadership of all City staff efforts and is active in all Departments and functions across the City. The Administrator is also primarily responsible for Economic Development, Human Resources, and the City Clerk functions. Salary costs are directly charged to the Departments served, rather than distributed through the allocation process. The City Administrator is assisted by one administrative secretary who performs duties specific to the Department, such as Council meeting minutes and the compilation of Council Agenda Packages and performs secretarial/clerical functions for all Departments as needed.

FY 20-21 Accomplishments:

- Develop new entry signage
- Prepared Industrial Park for transition from FEMA uses to Light Industrial development
- Extension of Fema Lease
- Evaluate and recommend additional programs to incentivize residential development
- Assist large property owners with their efforts to prepare their property for long-term residential development.
- Update vital policies, including Drug/Alcohol, Safety Policies, and Sexual Harassment

FY 21-22 Objectives:

- Implement Water and Sewer Utility Adjustments
- Partner with Elected Officials to review a comprehensive Strategic Plan
- Continue to improve City buildings including the Recreation Center
- Develop Fiscal Management Plan
- Review of Services Contracts and Master Fee Schedule

CODE ENFORCEMENT

The Code Enforcement Division responds to concerns from residents that affect the quality of life within the City such as zoning, overgrown lots or yards, inoperative vehicles, maintenance of structures, illegal signs, and public nuisances. Systematic inspections are also performed throughout the City to ensure properties are in compliance with City code. The Division also provides support services to Building and Planning efforts, and to the City Administration, as needed. Budget constraints allocate funding only for a part-time position.

CITY ATTORNEY

The City Attorney is appointed by the City Council; he functions as advisor to the Council, Department Directors and various commissions in regard to their legal rights, responsibilities and limitations of municipal government. The City Attorney is a contract position. The Attorney prepares and reviews legal documents and represents the City in all court actions. Legal costs are charged to the Departments consuming the service. For budgetary purposes, projected legal costs are equally split between Water, Sewer, Electric, and the General Fund. The budget below represents just the General Fund portion.

FINANCE DEPARTMENT

The objectives of the Finance Department are to properly handle and record all financial transactions including the preparation of monthly financial reports, investments of City funds, reconciliation of all funds and bank accounts, submission of reports to required agencies and processing payments to employees and vendors on a timely basis.

The Finance Department provides financial management of all City funds, utility billing, meter reading, customer services and central support services to other City Departments. Services provided include accounts payable, accounts receivable, budget development, business licensing, grant management, debt issuance and administration, financial reporting, treasury management, payroll, purchasing, and information services. Other functions include utility rate studies and financial planning. The Finance Department has 4 full-time employees. Their salaries are charged directly to the Departments utilizing Finance's services based on the volume of transactions processed.

FY 20-21 Accomplishments

- Set Tyler Technologies Financial Software implementation for financials
- Developed FY 20-21 ADOPTED budget with comprehensive narratives
- Researched the development of online payment program & policies
- Improved financial internal controls
- Reviewed and implemented finance department staff internal processes
- Upgraded customer service counters (ADA approved)
- Approved CDBG grant applications through the FTHB First-time Home Buyers Program
- Implementation (Go-Live) completion of the new Utility and Financial Software
- Update and amend internal processes to be in accordance with new software
- Approval of future home grant applications through state funded programs
- Development of comprehensive operational budget for FY 21-22
- Perform an audit of all water meters and sewer utility accounts
- Installation of permanent features to all customer services counters per safety regulations relating to COVID-19

FY 21-21 Objectives

- Analyze and update master fee schedules and annual processes
- Review and update of financial policies and procedures
- Complete Software Implementation Process
- Cross Training of all Finance Staff
- Finance Department Internal Schedule for future reporting
- Research future implementation of grants management software
- Continued effort of utilization of grant funding for homes

FY 21-22 EXPENDITURES – PUBLIC SAFETY

POLICE DEPARTMENT

The Police Department comprises the entire law enforcement activity operated by the City. Activities include enforcement, administration, investigation, dispatch records and patrol.

Gridley Police Department Mission Statement – “It is the mission of the Gridley Police Department to work in partnership with the community, to serve with Integrity, Honor and Professionalism, to protect lives and property, to preserve the peace and order, to create a working environment in which we recruit, train and develop an exceptional team, and above all, to protect the Constitutional Rights of each individual in the community we serve.”

- **Building a highly competent and professional police department by providing traditional law enforcement services.** Hire, train and promote quality employees and provide necessary equipment and training/experience to be able to keep the community safe and respond to any emergency.
- **Engaging in community problem solving.** Being engaged with the citizens is necessary to understand the issues of the community fully and to successfully respond to their needs.
- **Building community relationships.** The Department strives to maintain an excellent relationship with the communities it serves, which requires constant and continual communication and collaboration. The Department is working purposefully to better connect with businesses, community groups and individuals.

In fiscal year 2000-2001, the City of Gridley entered into an agreement with the City of Biggs to provide law enforcement services. At the time the first agreement was started, the Department changed its name from the Gridley Police Department to the Gridley-Biggs Police Department to show the combination of the two entities.

In fiscal year 2020-2021, the City of Biggs elected to not renew the law enforcement contract for the City of Biggs. With the termination of this contract for law enforcement services, the Gridley-Biggs Police Department has changed its name back to the Gridley Police Department. This change has allowed for the Gridley Police Department to refocus its efforts and concentrate on the City of Gridley and its residents. The Gridley Police Department will continue to provide the excellent law enforcement services it has continuously provided for the City of Gridley and its residents.

The Police Department recently completed a departmental reorganization. The Department's personnel are now comprised of 1 Chief, 1 Lieutenant, 2 Sergeants, 1 Department/Drug Task Force Detective, 7 Patrol Officers, 1 Canine Patrol Officer with a Narcotics Detection Canine, 1 Community Services Officer/Evidence Technician, 1 Animal Control Officer, 3 Dispatchers and 1 Dispatch/Records Clerk. The Department also has several part-time Reserve Officers and Dispatchers to augment staffing needs.

FY 20-21 Accomplishments

- Increased Department's social media and community engagement
- Enhanced and improved Police Department business practices for Records and Dispatch Units
- Developed and Implemented a successful Narcotics Detection Canine Program
- Upgraded Patrol Vehicle Fleet
- Maintained a proactive response to criminal activity in Gridley and Biggs
- Participated and/or provided services for over 12 prominent and longstanding community events
- Provided services for Camp Fire survivors in the FEMA Community Housing site
- Re-established the Department/Drug Task Force Detective position
- Department personnel provided quality law enforcement services for the communities of Gridley and Biggs while fostering excellent relationships with the community members
- Implemented the Citizen RIMS Crime Maps to City website to provide public access regarding police activities

FY 21-22 Objectives

- Maintain the high level of law enforcement services provided for the City of Gridley and its community members
- Enhance the Volunteer Program
- Continue enforcing Speed Enforcement traffic Details to promote safe driving through education and enforcement
- Continue to enhance the Department's social media presence and its community involvement
- Participate carefully in the federal grant process for potential equipment allocations
- Maintain a close working relationship with the local administration and City Council members
- Involve all levels of the Police Department in processes for succession development

BUTTE INTERAGENCY NARCOPTICS TASK FORCE (BINTF)

Under the City's Contract between and among the State of California, Butte County, the Cities of Chico, Oroville and Gridley and the Town of Paradise, the City decided to provide two days of one officer service. Department Code 4207 represents the salary and benefits of this part time position.

ANIMAL CONTROL

Animal Control Services include: Enforcing animal laws and ordinances; Pick up of stray animals; Enforcing rabies control and licensing; the pick-up of dead animals; Taking state mandated bite reports; and adoption of animals.

TRAFFIC SAFETY

The Traffic Safety budget is financed with the City's share of fines and fees collected through traffic court and apportioned by the Butte County Courts. This budget was generally utilized for the purchase of new police vehicles as well as for the repair and maintenance of existing vehicles and traffic sign maintenance. During past years, however, revenues have not proved adequate to fund both purchase and maintenance and therefore only maintenance expenses are reported.

COPS GRANT

Annual contributions to the City from the State are not guaranteed. It is anticipated that these funds are available for Public Safety augmentation. The use of these funds is restricted and intended for first line Police Officer expenses. These expenses include Police overtime, training, programs and equipment. These funds are not to be used to supplant funds received from the normal operating budget of the Police Department. These funds are required to be spent for Public Safety. These funds have been budgeted for police overtime, training, public purpose programs and equipment.

POLICE FACILITY MAINTENANCE

This budget allocates contract costs, salaries, and benefits for the janitor, repairs and other costs incurred in maintaining the premises of the Facility.

FIRE DEPARTMENT

The Fire Department provides fire, rescue, emergency medical, public service and hazardous materials emergency response service for the City. This includes fire prevention, pre-fire planning, emergency preparedness, firefighting, fire investigation and code enforcement. The Fire Department operates two components: a career staff of CAL FIRE personnel funded jointly by the City and County of Butte, responsible for day-to-day operations; and the Butte County Volunteer Fire Company 74, providing the necessary depth of personnel for most incidents. Being part of a cooperative system that includes the State, County and the City of Gridley saves considerable expense, relative to the level of service if the City of Gridley provided the service on its own.

Gridley Fire Department Mission Statement - *"We protect the people of Gridley, their lives, homes, property, businesses, and community. We protect Gridley from fire and other threats to life safety. We envision a community free of threat from fire or risk to life safety. We value: compassion, loyalty, integrity, and Gridley, the community we protect."*

Volunteer costs are exchanged for the value of the office space provided to the Butte County Fire Department at City Hall; this exchange is reflected in an agreement between the City of Gridley and the Butte County Fire Department. Emergency Medical Dispatching, Computer Aided Dispatch (CAD) mapping maintenance and Defibrillator service are provided at no costs.

FY 20/21 Accomplishments:

- ✓ Fire Prevention programs/public education
- ✓ Schools (911, fire extinguishers, natural disaster education, cooking safety, CO2 awareness)
- ✓ Facility inspections for state mandated Title 19
- ✓ Weed abatement inspections
- ✓ Sparky's Corner (weekly article in Gridley Herald)
- ✓ CPR instruction, AED instruction, hydrant inspections/testing
- ✓ Health and Safety committee
- ✓ Burn permits
- ✓ Fireworks booth inspections,
- ✓ Santa Tour through town
- ✓ Support local birthday parades
- ✓ Maintained 203 of the 278 fire hydrants in Gridley

FY 21/22 Objectives:

- ✓ Increase public education activities through the use of multi-media while limiting exposure to large gatherings of people
- ✓ Continue to develop technology systems to enhance daily activities
- ✓ Maintain our level of commitment to the community through innovation while maintain safe health practices
- ✓ Increase outreach into Non-English-speaking communities for fire and life safety messaging
- ✓ Continue to take advantage of SAFER Grant funding to reduce staffing costs to the City of Gridley
- ✓ Improve core capabilities within the fire department through training and education opportunities
- ✓ Continue to look for new technologies which can improve our level of service to the citizens

FY 20-21 EXPENDITURES **PARKS & RECREATION**

PARKS & RECREATION

The City of Gridley operates the following Parks for the enjoyment of our residents and visitors.

- **Manuel Vierra Park** is located between the far south ends of Haskell and Washington Streets. The 13.5-acre Park offers large areas of shaded grass under a grove of oak trees. Park facilities include a new Splash Pad, updated restrooms, playground equipment, tennis courts, barbecue facilities, benches and tables, and baseball and softball fields.
- **Nick Daddow Park** is located on Virginia Street between Sycamore and Hazel Streets. The stunning landmark underwent a complete rehabilitation in 2017. The one-acre Downtown Park has a gazebo, picnic tables shaded by huge cypress and palm trees, and barbecue facilities. Free concerts are often held at the gazebo. The Park is the central site of the Annual Red Suspenders Day event.
- **Gridley Rotary Park** is located on Washington Street between Sycamore and Magnolia Streets. The one-acre Park has shade trees, grass and picnic tables.
- **Skateboard Park** is located at the intersection of Washington Street and Spruce Street. The large modern facility is regularly used and safely maintained.
- **Railroad Park** is located along Washington Street near Hazel Street and Downtown Gridley. The recently upgraded Park includes picnic benches, shade trees, and a barbeque area. Just across the street from Railroad Park to the south is Quota Park. This beautifully landscaped area was also completed due to the hard work and dedication of this local organization. The Park is a tranquil sitting area that includes a beautiful fountain, benches, and tables.
- **Boat Launch Park** includes a new boat ramp and dock, restrooms, lighting, and a fish cleaning station. It is located 10 minutes east of Gridley on East Gridley Road.

FY 21-22 EXPENDITURES

PUBLIC WORKS

PUBLIC WORKS

The Public Works Department protects the health and safety of the community by overseeing the operation and maintenance of the City's infrastructure. It plans and develops core infrastructure to meet the needs of the growing City of Gridley. This includes a safe and reliable road system, water supply, storm drainage systems and proper disposal of wastewater. Working with the consultant City Engineer, the Public Works Department constructs and operates a transportation system that provides safe and efficient movement of people and goods, enhances environmental quality, and is compatible with local and regional mobility goals and development. The Parks Department works under the direction of the Electric Utility/Public Works Director and the Public Works Supervisor. The Public Works Department is budgeted in the following funds: General Fund (for Streets and Parks), Gas Tax Funds, Maintenance District Funds, Water Utility Fund, and Sewer Utility Fund.

FY 20-21 Accomplishments

- ✓ Continue street repair overlay projects
- ✓ Crack seal Eagle Meadows subdivision
- ✓ Continue water main valve replacement replaced 8 valves
- ✓ Install ADA sidewalk at Vierra Park playground
- ✓ Replace 150 feet of safety rail at WWTP
- ✓ Re-slope WWTP berm
- ✓ Add picnic table and park bench to playground area at Vierra Park
- ✓ Pave island area by Recreation Dept.
- ✓ Remove Fluoride equipment from all well houses
- ✓ Install new generator at Corp Yard
- ✓ Install new generator at Little Ave. well
- ✓ Landscaped planters at intersection of Hazel St and Kentucky St.
- ✓ Replaced Storm drain at Little Ave. and Vermont St.
- ✓ Installed 2300 feet of 3 inch water main from Sewer Plant to Boat ramp Bathrooms

FY 21-22 Objectives

- ✓ Continue street repair overlay projects
- ✓ Crack seal Heron Landing, Bayberry and Scarlet Oak
- ✓ Continue water main valve replacements
- ✓ Complete fencing project at WWTP
- ✓ Add three park benches to Rotary Park
- ✓ Install new sewer pumps at Richards Ave. emergency ponds lift station
- ✓ Install new doors at 4 well houses
- ✓ Install new landscaping in front of Liberty Well
- ✓ Freshen up landscaping in front of Eagle Meadows Well
- ✓ Install new generator at Spruce Well
- ✓ Remodel Water Parts room at Corp Yard
- ✓ Build pad for storing equipment on the East side of Head Works
- ✓ Level ponds at WWTP
- ✓ Complete concrete sidewalk on the South end of Daddow Park
- ✓ Replace roof at Corp yard Sewer Lift Station
- ✓ Add room for parts and small tools at the South Metal Building

CORPORATION YARD

All vehicle service functions occur at the Corporation Yard. The cost of this service is allocated via the expenditure transfer process equally to Street, Sewer (plant & collection system), Water and Parks.

STREET MAINTENANCE (GAS TAX FUNDS)

The largest revenue sources for Streets come from the State and from special property tax assessments. The use of these revenues is restricted to special purposes. The State of California imposes excise taxes on various transportation fuels. California motor vehicle fuel taxes include the gasoline tax, diesel fuel tax, and the use fuel tax. These funds are apportioned pursuant to regulations found in the California Streets and Highways Code. Section 2105 allocates 11.5% of the tax revenues in excess of 9 cents per gallon (i.e. the Proposition 111 rate). The City uses this portion of Gas taxes for maintenance associated with streets, alleys, traffic signs, street name signs, street striping, pavement markings, sidewalks, curbs/gutters and traffic signals. Section 2107 provides monthly allocations of 1.315 cents per gallon of gasoline, 1.8 cents per gallon of diesel, and 2.59 cents per liquefied petroleum gas (LPG). These revenues are used for the maintenance of streetlights, which is the City's responsibility, including maintaining the light standards and light bulbs, the cost of City provided electrical service and the cost of Electric Utility Department labor and benefits used in maintaining the lights. The budget expenditure detail is on the following pages.

MAINTENANCE DISTRICTS

RICHINS MAINTENANCE DISTRICT #1

The Flood Control Maintenance District #1 was established in 1999-2000. This District is funded exclusively through assessments on the individual parcels within the district. The District comprises the Richins Subdivision. In the past the maintenance function for this District was contracted out. Public Works now handles the function.

EAGLE MEADOWS MAINTENANCE DISTRICT #2

This budget unit represents the cost of operation and maintenance of the Flood Control Maintenance District #2 that was established in 2003-2004. The District was modified in 2005-2006 to include the maintenance of the 6-acre flood control basin as a park when not being used as a flood detention facility. This District is funded exclusively through assessments on the individual parcels within the District. The District comprises the Eagle Meadows Development. The Public Works Department maintains the District.

HERON LANDING MAINTENANCE DISTRICT #3

This budget unit represents the cost of operation and maintenance of the Flood Control Maintenance District #3 that was established in 2004-2005. This District is funded exclusively through assessments on the individual parcels within the District. The District comprises the development more commonly known as Heron Landing. All basic maintenance functions of the District are handled by the City's Public Works Department.

SCROGGINS MAINTENANCE DISTRICT #6

The Flood Control assessment was created in 2007-08 in the Scroggin Subdivision. The City's Public Works Department maintains this District.

ELECTRIC FUND

The Gridley Electric Utility, operating since 1910, oversees the delivery of wholesale power, maintains and operates the local electric distribution system, is involved in engineering and advance planning for improvements, replacement and expansion of the distribution system, and maintenance and operation of the City's street lighting system. The Department works under the direction of the Electric Utility/Public Works Director.

Gridley Electrical Department Mission Statement - "The Gridley Electrical Department is committed to providing safe, dependable power at a service level that exceeds our customers' expectations, and we will continue to invest in facilities and systems upgrades to ensure dependable power continues to be available in the future."

The Electric Utility Department is responsible for the operation and maintenance associated with the reliable distribution of electricity to residential and commercial customers from the City's interconnection with PG&E's 60-thousand-volt transmission line at Gridley's Electric Substation located on Fairview Drive. Major staff responsibility and associated costs are also appropriated toward new construction, system expansion and replacement, which are augmented and funded through the City's Capital Improvement Plan.

The Electric Utility is also responsible for the purchase of power for the City. This includes the City's share of the Northern California Power Agency's (NCPA) generation projects and the Federal Western Area Power Administration's Central Valley Project allocation. The City has ownership interest in the Lodi Energy Center. Future improvements will include the installation of (3) 12kv underground Trayer Switches, (2) 12kv air switches for paralleling circuits and a reconductor down the alley behind Starbucks. Also, we will be replacing any inadequate power poles remaining from our intrusive pole test and treatment program.

FY 20-21 Accomplishments:

- Replaced 75 street light bulbs with LED bulbs in Heroin Landing
- Replaced 21 intrusive poles for Gridley
- Replaced 4 intrusive poles for Biggs
- Completed 26 GO 95 tags for Gridley
- Completed 24 GO 95 tags for Biggs
- Completed 6 GO 128 tags for Gridley
- Completed 3 GO 128 tags for Biggs
- Completed Fairgrounds Project
- Completed the Gridley High School charging station
- Completed the ADA electric shop bathroom remodel
- Completed substation monitoring system
- Continued electric meter audit / CT replacement project
- Completed Biggs substation / 60kv maintenance program
- Started North Biggs Estates subdivision project
- Started Arc Flash Study / Coordination Study for Biggs Transmission and Substation

FY 21-22 Objectives:

- Completion of Starbucks Alley Project
- Replace 20 intrusive poles for Gridley
- Replace 5 intrusive poles for Biggs
- Install (3) 12kv underground Trayer Switches
- Replace 3 box street lights with Decorative lights
- Replace Hazel Hotel 3-phase transformer
- Install (2) Intertia Air Switches for paralleling
- Continue our meter audit and CT replacement project
- Completion of electric shop remodel
- Replace 50 street light bulbs with LED bulbs in Eagle Meadows
- Install new electrical in Rotary Park
- Install New CPT for Biggs 60kv Transmission Line
- Complete Arc Flash / Study Coordination Study for Biggs Transmission and Substation

ELECTRIC FUND – PUBLIC BENEFITS

The 1996 law that led to deregulation in the electric industry and to the power crisis of 2000-2002 required all electric utilities to create programs that would enhance the efficiency of our electric consumption. The City transferred the administration of most of the programs to an energy efficiency firm primarily to take advantage of the experience of the firm and to provide reporting capabilities needed for state oversight. Also, in 2004-2005, the City joined with other NCPA publicly owned utilities to initiate a public benefits committee designed to foster common reporting and measurement tools in anticipation of the State requiring this information. The deregulation law provides that utilities use 2.85% of their electric revenues for programs that support this effort. The City's public benefit program offers residential and commercial rebates.

WATER FUND

The Water Utility's focus is to provide clean, reliable water and fire hydrant flows to a growing City. The Utility is responsible for the supply, treatment, distribution, and storage of the City's potable water, as well as the fire hydrant flows and maintenance, and public education related to water conservation. Public Works Department staff maintains the City water system from production at the well fields and storage at various reservoir sites through distribution to City water customers. Overall duties include repair of leaking service lines by replacement from the main to the water meter, repairing damage to the main distribution system, and maintaining the well pumps, the water tower, and booster pumps. Maintenance of water quality to meet State and Federal water quality standards is a top priority.

Gridley's water is pumped from aquifers approximately 260 to 310 feet deep. The Parkside pump, which is the lead pump, supplies 700 to 800 gallons of water per minute. The Fairview pump is capable of about the same quantity. The Fairview Well (2007) and Wilson Well (2013) are designated as a standby source because of a violation of the Fed and State MCL (maximum contaminant level) for arsenic. The Little Avenue well can provide a substantial amount of the water necessary for the system. The Industrial Park (Liberty) well and the Eagle Meadows well are capable of 1,500 gallons of water per minute and has substantially increased the capacity of the system. The Spruce St. well is capable of 700 gallons per minute. The budget expenditure detail is on the following page.

SEWER FUND

Sewer Utility Crews respond to service calls for blockage problems throughout the collection system and house service laterals from the main to the street or alley line. Collection system facilities (pumps, motors, mains, lift stations and manholes) are serviced on a routine basis or as necessary. Treatment facilities are also maintained including sludge removal from the treatment ponds. The Sewer Utility is focused on providing excellent services with a priority on State and Federal mandates associated with the prevention of spills, protecting water quality, and reducing inflow and infiltration. Budget expenditure detail is on the following page.

CITY TAXI FUND

The Gridley Flyer provides transportation opportunities for eligible residents in the City of Gridley. The budget amount is based on the estimated costs associated with the employee driver as well as the maintenance on the City owned transit vehicle. In FY 16-17, the City placed a new passenger vehicle into service as the primary Flyer vehicle. The vehicle requires no special licenses. Due to the unique nature of the Flyer's operation and its low cost, the Flyer is not part of the County's transit operations. The County's InterCity Transit System (now called the B-Line) and the Flyer are both funded by Transit Development Act funds. These funds include State Transit Assistance (STA) funds and Local Transportation Funds (LTF). Annually, the City completes the TDA allocation plan that identifies the full amount of expenditures for each of these local Transit Programs. Once completed and accepted by the BCAG Governing Board, Butte County is authorized to release the funds available to the City in the proportions identified in the allocation plan.

Transit Funds not obligated for either the Butte County InterCity Transit System or the Flyer are available to the City for general street maintenance purposes. In recent years the B-line added a morning route from Gridley to Chico. The charges for this additional service are absorbed by all Butte County transit participants. In addition to TDA funds, all ticket sales for trips outside the City (Zone's II and III) are subsidized by Butte County Transit at \$4 and \$4.50 respectively based on the zone of use. The budget expenditure detail follows on the next page.

CAPITAL IMPROVEMENT PLAN

CAPITAL IMPROVEMENT PROGRAM

Each year the City prepares a Capital Improvement Program (CIP), which serves as the City's basic tool to plan, organize, and document various projects needed to meet the many infrastructure and capital investment needs of the community. In its revised formant, this document will provide more information on the projected needs, as well as the challenges and opportunities the City faces in the coming years. Staff is continuously working to integrate the CIP with other City documents, as prepared or updated. This includes the City's General Plan, other relevant Master Plans, and Regional Transportation Planning efforts. The CIP is seen as a living document that will grow and change from year to year as community needs, priorities, and funding opportunities change. The total CIP for FY 21-22 projects total \$5,899,100.

To be listed as a funded project, funds have to be available or expected to be available from current or future operating revenues or reserves. Grant funds are not usually listed until the City has been awarded the grant and funds have been committed by the granting agency. In general, CIP planning involves a long-range study of capital improvement wants and needs, available funding, project delivery scheduling and policy intentions. Public capital improvement projects typically include the construction of streets, sewer lines, water lines, storm drains, fire/police stations, parks, and other City facilities. These are often one-time expenditures that take one year to complete, differentiating from operations and maintenance (O&M) expenditures.

The first year of the CIP coincides with the capital budgets in each Department. The funds have been incorporated into the City operating budget in this manner. Projects slated for subsequent years in the program are approved on a planning basis and do not receive expenditure authority until they are eventually incorporated into the capital budget and a subsequent operating budget. As such, Council endorsement of the overall five-year program is desirable for effective implementation of overall City goals and objectives.

GLOSSARY

GLOSSARY OF BUDGET TERMINOLOGY AND ACRONYMS

Accounting System - The total structure of records and procedures which identify record, classify, summarize and report information on the financial position and results of operations of a government.

Adopted Budget - Revenues and appropriations approved by the City Council in June for the following fiscal year(s).

Agency – The Gridley Redevelopment Agency.

Allocated Costs - An expense charged by one Department/Division to another for services performed or expenditures of a general nature which are charged to one main account and allocated to other Departments/Divisions by a specified formula.

Appropriation - An authorization made by the City Council or Agency Board which permits the City or Agency, respectively, to incur obligations and to make expenditures of resources.

Assessed Valuation - A value established by the County Assessor which approximates fair market value of real or personal property. By state law, one hundred percent of the property value is used for determining the basis for levying property taxes.

Assessments - A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

Authorized Positions - The number of full time and permanent part time staff identified within a division or program measured on a full time equivalent (FTE) basis.

Bonds - A written promise to pay a sum of money on a specific date at a specified interest rate.

Budget - A financial plan for a specific period of time (fiscal year or years) that matches all planned revenues and expenditures with various municipal services.

Budget Amendment - A legal procedure utilized by the City Administrator to revise a budget appropriation. Adjustments to expenditures within or between Departmental budgets may be accomplished administratively. City Council approval is required for additional appropriations from fund balance or new revenue sources.

CAFR – Comprehensive Annual Financial Report, which includes the City’s annual independent audit, management discussion and analysis and statistical trends.

CIP – (Capital Improvement Program) - Annual appropriations in the City’s budget for capital improvement projects such as street or park improvements, building construction and various kinds of major facility maintenance. They are often multi-year projects which require funding beyond the one-year period of the annual budget.

Capital Outlay - Expenditures relating to the purchase of furniture, land, vehicles, computers and equipment.

Certificate of Participation (C.O.P.) - Provides long term financing through a lease, installment of sale agreement or loan agreement.

COLA - Cost of living adjustment.

Consumer Price Index (CPI) - A statistical measure of price levels provided by the U.S. Department of Labor signifying the cost of living and economic inflation.

Contingency - A budgetary reserve set aside for emergency or unanticipated expenditures, revenue shortfall and/or unknown expenditures, such as those for pending legal settlements.

Cost Recovery - The establishment of user fees which are less than or equal to the full cost of providing services.

Debt Service - The payment of principal and interest on borrowed funds such as bonds.

Debt Service Fund - A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. Sometimes referred to as a Sinking Fund.

Department - A major administrative segment of the City which indicates overall management responsibility for an operation or a group of related operations within a functional area.

Designated Fund Balance - A portion of fund balance set aside to pay for special programs or expenditures in a future period.

Division - A unit of organization which reports to a Department.

Encumbrance - An amount of money committed for the payment of goods and services not yet received or paid for.

Enterprise Fund - A fund established to account for activities that are financial and operated in a manner similar to private business enterprises, in which costs of providing services are fully recovered through user fees.

Estimated Budget or Estimated Year End - The status of appropriations between July 1 and June 30. Includes the adopted budget, budget amendments, prior year encumbrances, approved carry forwards and transfers between objects, Divisions and Departments.

Estimated Revenue - The amount of revenue expected in some future period.

Expenditure - Utilization of fund resources. Expenditures include operating expenses, debt service and capital outlays.

Expenditure Category - A basis for distinguishing types of expenditures. The major expenditure categories used by the City are salaries and wages, fringe benefits, supplies and services, capital outlay, debt service and capital projects.

Full Time Equivalent (FTE) - Part time and hourly positions expressed as a fraction of full-time positions (1950 hours per year). Example: 3 positions working ½ time equals 1 ½ FTE's.

Fund - A fiscal and accounting entity for which the recording of financial transactions is made for the purpose of carrying on specific activities in accordance with the requirements placed upon the use of financial resources.

Fund Balance - The net effect of assets less liabilities at any given point in time.

FY (Fiscal Year) - A twelve-month time period signifying the beginning and ending period for recording financial transactions. The City has specified July 1 through June 30 for its fiscal year.

GAAP – Generally Accepted Accounting Principles

GASB – Governmental Accounting Standards Board

General Fund - the fund used to account for the major operating revenues and expenditures of the City, except for those resources that are required to be accounted for in another fund category. General Fund revenues are derived primarily from property sales and other taxes, and are used to pay for tax supported services such as park maintenance, library, fire and police.

General Government - A grouping of administrative Departments (City Administrator, City Clerk, City Attorney and Management Services) that support the operating Departments which provide direct service to the Public.

Goals - Tasks or projects which identify the focus of a program's activities within the budget year. These are presented to provide the reader what can be expected based upon the resources allocated to a particular division or program.

Grants - Contributions of cash or other assets from another governmental agency to be used or expended for a specific purpose, activity or facility.

Gross - Amount prior to any deductions.

Infrastructure - A substructure or underlying foundation on which the continuance or growth of a community is dependent; such as streets, sidewalks, medians, sewer systems and storm drains.

Interfund Transfers - Movement of money from one fund to another within the City of Gridley.

Intergovernmental Revenue - Grants, entitlements and cost reimbursements from another federal, state or local government unit.

Key Result Areas - Critical areas of City wide or Department organizational performance where positive results must be achieved for the organization to reach its goals.

Long Term Debt - Debt with a maturity of more than one year after the date of issue.

Mission Statement - A broad direction based on the needs of the community. A mission is general and timeless; it is not concerned with a specific achievement in a given time period.

Net - Amount after consideration of any adjustments.

Objectives - Statements of measurable results to be accomplished within a specific time frame. Objectives support long term goals.

Operating Budget - A financial plan for the provision of direct service and support functions that provide basic government services. The operating budget contains appropriations for such expenditures as salaries, benefits, services, supplies, capital outlay and debt service. It does not include Capital Improvement or Special Project expenditures.

Performance Measurement - The performance measures provide an indicator of the amount of work performed or measures the quality of effectiveness of work performed by a Department.

PERS—Public Employees Retirement System.

Position Classification - Includes job titles, job grades and job families for an overall job level.

Program - A unit or organization which reports and is an activity of a division.

Property Tax Apportionment - The allotment of direct taxes on the basis of population.

Proposition 4/GANN Initiative Limit - The City is required, under Article XIII.B of the State Constitution to limit appropriations from proceeds of taxes. The annual appropriation limit is based on data received from the State, including various growth measures such as population, CPI and non-residential construction changes.

Reserve - An account used to designate a portion of the fund balance for a specific future use and which is, therefore, not available for general appropriation.

Revenue - Increases in fund resources. Revenues include income from user fees, taxes, permits, licenses, interest earnings and other sources.

Revenue Enhancements - Any action that increases current revenue sources or creates new ones.

Revised Budget - Adopted Budget plus/minus any mid-year City Council

Secured - Debt obligation guaranteed by the pledge of assets or other collateral.

Subsidy - Supplemental resources provided to ensure adequate funding when anticipated expenditures exceed revenues.

Taxes - Compulsory charges levied by a government to finance services performed for the common benefit. This term does not include specific charges made against particular person or property for current or permanent benefits, such as assessments. Neither does the term include charges for services rendered only to those paying such charges (i.e., building permits, engineering fees, facility rentals).

TOT (Transient Occupancy Tax) – a 6% tax levy imposed on the occupancy of a City hotel or motel for a period of less than 30 days.

Traffic Mitigation Fee - Traffic impact fees paid by applicants and generated by new development for the purpose of completing signal, road and other traffic improvements.

Unsecured - Debt Obligation not backed by the pledge of specific collateral.

User Fees - Fees charged to users of a particular service provided by the City. Fees are established based upon cost recovery policy decisions reviewed on an annualized basis

Utilities - A public service such as gas, electricity, water or transportation. Also used to account for a program's expenditures for services such as gas, electricity, water, refuse collection, etc.

BUDGET RESOLUTIONS
Attached as copies with signatures

**A RESOLUTION OF THE CITY OF GRIDLEY CITY COUNCIL
ESTABLISHING THE FY 2021-2022 APPROPRIATIONS LIMIT FOR THE CITY OF GRIDLEY**

WHEREAS, SB 1352 was enacted by the California State Legislature during the 1980 Session which specifically adds Division 9, Chapter 1205 (commencing with Section 79000) to Title 1 of Government Code; and

WHEREAS, SB 1352 was enacted to provide for the implementation of voter approved Proposition 4, also known as the "Gann Initiative" whose purpose was to limit governmental appropriations; and

WHEREAS, the voters of California did approve Proposition 111 in June 1990, which, among other provisions, allows for new adjustment formulas for calculating the City's annual appropriations limit; and

WHEREAS, the appropriations limit has been calculated for the City of Gridley by the City Finance Department in accordance with the Uniform Guidelines for Implementation of the Gann Initiative and Proposition 111, as promulgated by the League of California Cities.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the City Council of the City of Gridley as follows:

- 1.) For fiscal year 2021-2022, the City Council approved the selection and usage of the "California Per Capita Income" percentage change and the population growth percentage increase for the City of Gridley when calculating that year's appropriations limit. The FY 2021-2022 appropriations limit may be amended at some future date due to a change in the factor used in this calculation. The choice of factors to be used for the FY 2021-2022 calculation was limited to use of the California Per Capita Income change due to the unavailability of the "percentage change in the local assessment roll from the preceding year due to the addition of local nonresidential construction in the City". (The County of Butte, Assessor's Office reports this factor has not been determined.) Therefore, when the factor depicting the percentage change in the local assessment roll from the preceding year due to the addition of local non-residential construction in the City is available, should it be greater than the California Per capita Income factor, the FY 2021-2022 Appropriations Limit could be recalculated to reflect the higher factor.
- 2.) The Appropriations Limit is hereby established for the City in the amount of \$21,337,504 for fiscal year 2021-2022 in conformance with the attached Exhibit A and Article XIII B of the Constitution as amended.

I HEREBY CERTIFY that the foregoing resolution was duly introduced and passed at a special meeting of the City Council of the City of Gridley held on the 28th day of June 2021, by the following vote:

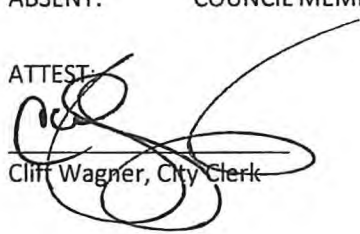

AYES: COUNCIL MEMBERS Johnson, Calderon, Sanchez, Farr

NOES: COUNCIL MEMBERS None

ABSTAIN: COUNCIL MEMBERS None

ABSENT: COUNCIL MEMBERS Torres

ATTEST: APPROVED:

Cliff Wagner, City Clerk

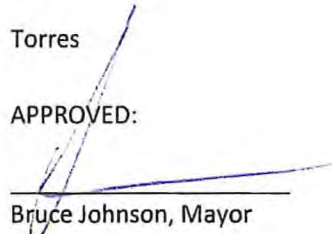

Bruce Johnson, Mayor

EXHIBIT A - Gann Initiative - Appropriation Limit Calculation
For the Fiscal Year ended June 30, 2022

2021-2022 Appropriation Limit Calculation

Price factor information:

Prior year amount	3.73
Current year amount	5.73

Population information:

Prior year population	6,515
Current year population	6,129

Per Capita Change: 5.73

Population Change: (5.92)

Per Capita converted to a ratio: $\frac{3.73 + 100}{100} = 1.057300$

Population converted to a ratio: $\frac{(5.92) + 100}{100} = 0.940752$

Calculation of factor for FY 2021-2022: $1.057300 \times 0.940752 = 0.994657$

2021-2022 Appropriation Limit:

2020-2021 Appropriation Limit	\$21,452,118
Multiplied by Factor	<u>0.994657</u>
2021-2022 Appropriation Limit	<u>\$21,337,504</u>

**A RESOLUTION OF THE CITY OF GRIDLEY CITY COUNCIL
ADOPTING A BUDGET FOR FISCAL YEAR 2021-2022**

WHEREAS, a Proposed Annual Operating Budget for Fiscal Year 2021-2022 was presented to the City Council of the City of Gridley and Gridley community members at three public Council meetings on June 17, June 18 and June 28, 2021; and

WHEREAS, the Council desires to incorporate the proposed changes, additions, and deletions discussed at the various public budget meetings into the Proposed FY 2021-2022 Operating Budget as provided in the records of the pertinent meetings; and

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the City Council of the City of Gridley does hereby adopt the Annual Operating Budget for the City for FY 2021-2022, as described above and shown below:
