Requirements

Requirements

- Completed and Signed Application Form
- Completed Environmental Questionnaire Form
- Written Authorization from the Property Owner (if Applicant is not the owner)
- 8 1/2' X 11" Site Plan of Proposed Development
- Application and Environmental Review Fees

As a result of the environmental review process, additional information may be required to determine if significant adverse environmental impacts could result from the project.

Time Limits

Pursuant to California Government Code Section 65943 and 65950, the City has thirty (30) days from the date of submittal to determine if an application is complete and six months from the date of acceptance of a complete application to take final action when a negative declaration is prepared.

If an Environmental Impact Report is required, the City must take action within ninety (90) days after certification of the Report.

Any required public hearing must be held at least 60 days prior to the expiration of the time limit.

After a final decision is made on the application there is a ten day appeal period during which the decision may be contested. The conditional use permit shall not be valid until after the appeal period.

Notice of Pending Amendments

Pursuant to California Government Code Section 65945, et seq., an applicant can make a written request to receive notice of any pending amendments to the General Plan, Specific Plans, land use regulations, ordinances affecting building permits, or to regulation pertaining to developing permits, if the amendment is reasonably related to the applicant's project.

Note: By signing the front page of this application form, the applicant is indicating that project site is not included on any state or local list of hazardous waste sites compiled pursuant to California Government Code Section 65962.5, as amended in January, 1996.
