TITLE 5. GRIEVANCE PROCEDURE

5.1 Statement of Intent – Notice

It is the intent of both the ASSOCIATION and the CITY that the processing of disputes through the Grievance Procedure will give meaning and content to the Memorandum of Understanding (M.O.U.) through a concise procedure for resolution of disputes. It is understood and agreed that whenever a provision in this Title refers to an employee filing a grievance, the ASSOCIATION may file such grievance, either on the employee's behalf or on behalf of the ASSOCIATION. In such an event, the processing of the grievance shall comply with all other provisions of this grievance procedure Title. It is therefore the stated purpose of this procedure to:

- Avoid grievances and misunderstandings
- Orally handle as many grievances as possible within the framework of this Agreement
- Expeditiously investigate and quickly dispose of such grievances or problems

The ASSOCIATION and the CITY agree that they will continue to work within the framework of the Agreement to further the above-stated objectives. Should the above fail to resolve a grievance, the following steps shall be utilized to resolve the dispute between the parties. Disputes involving the following subjects shall be determined by the Grievance Procedure established herein:

- Interpretation or application of any of the terms of this Agreement, including Exhibits thereto, Letters of Agreement, informal interpretations and clarifications executed by the ASSOCIATION and the CITY.
- Disputes as to whether a matter is a proper subject for the Grievance Procedure.

Objections or disputes regarding discharge, demotions, or suspensions of any employee are not proper subjects to be determined by the grievance procedure established in Title 5 of this Memorandum of Understanding, but are proper subjects under Title 6 of this Memorandum.

5.2 Step One: Association President

The initial Step in the adjustment of a grievance shall be the presentation of a written grievance to the grievant's supervisor setting forth (1) the action complained of, (2) the rule, procedure or other policy claimed to have been violated or not followed by the action, and (3) the employee's proposed solution, followed by a discussion between the ASSOCIATION president and the immediate Supervisor directly

involved, or Department Head as applicable, who shall answer within five (5) working days. This Step shall be started within fifteen (15) working days of the date of the action complained of, or the date the grievant became aware of the incident, which is the basis for the grievance.

5.3 Step Two: Department Head

If a grievance is not resolved in the initial Step, the Second Step shall be a discussion between either the ASSOCIATION president, or the ASSOCIATION representative, and the Department Head who shall answer within ten (10) working days. This Step shall be taken within ten (10) working days of the date of the immediate Supervisor's answer in Step One.

5.4 Step Three: City Administrator

The City Council shall meet within fourteen (14) working days of the request, take evidence and reach a majority decision. A majority decision of the quorum of the City Council at such hearing would be binding upon both parties. In considering any grievance brought before the City Council, the City Council may conduct such additional investigation and take such additional evidence as it may desire, in the Council's sole discretion.

5.6 Grievance Processing

Grievances shall be processed from one step to the next within the time limit prescribed in each of the steps. Time limits may be extended by mutual agreement. Any grievance for which a disposition is not made at any step within the time limit prescribed, or any extension which may be agreed to, may be referred to the next step in the grievance procedure. Time limits shall run from the date when time for disposition expired.

5.7 Enabler Clause

Notwithstanding the aforementioned procedure, any individual employee shall have the right to present grievances to the CITY and to have such grievances adjusted without the intervention of ASSOCIATION, provided that the adjustment shall not be inconsistent with this Memorandum of Understanding, and provided, further, the ASSOCIATION or its representative shall be given an opportunity to be present at such adjustment, as an observer only.

The appeal shall be addressed to the City Council and filed with the City Clerk. The appeal shall set forth the matter appealed from, set forth a statement of the action desired by the appellant and list the reasons for the desired actions. Within seven (7) calendar days after receipt of the appeal, the City Clerk shall inform each member of the City Council, the City Administrator and all other persons named or affected by the appeal.

Notice of Hearing

When an appeal has been filed, a date shall be set for a hearing on the appeal. The date for the hearing shall not be less than ten (10) calendar days from the date of filing of the appeal. The City Clerk shall notify all interested parties of the date, time and place of the hearing.

Hearing (Review of Record)

When an appeal has been filed, the City Council shall review all evidence previously considered and make a final determination of the issue. A new hearing will be held if it is determined that evidence was improperly excluded, or there was a deprivation of due process rights in which case there will be a hearing de novo. Both parties will be allowed to present a brief presentation concerning their interpretation of the record. Hearings shall be closed, unless the appellant files a written request for an open hearing.

Financial Ability to Meet Future MOU Commitments

It is mutually agreed that the City of Gridley may have limited financial ability to fund the implementation of the salary increases for fiscal years 2019-2022; such ability is entirely dependent upon the economic conditions that prevail in the community, and legislative actions of the State of California. The City Administrator and representatives of the GPOA will meet each year, after the adoption of the state budget, to review the status of revenue forecasts associated with property taxes estimates developed by the Butte County Auditor-Controller, sales taxes forecast information generated by the State Board of Equalization, and Motor Vehicle In-lieu reimbursement allocations issued by the State Controller.

Further, in the event sales tax receipts received are less than the amount set forth in the adopted budget, such event shall also result in the suspension of any salary adjustments associated with the salary increases referenced in this Memorandum of Understanding. The City will meet with the

GPOA as soon as practical to discuss any such suspension and whether such suspension of salary increases shall become permanent. 11.2 Bypass for Lack of Qualifications

Notwithstanding Title 11.1, the CITY need not consider the bid of any employee who does not possess the knowledge, skill, efficiency, attitude, adaptability, ability to work with others and physical ability required for the job on which the bid is made. The CITY shall be the sole judge of the qualifications. When the CITY intends to appoint an employee to a vacancy in preference to an employee with greater seniority as provided in 11.1, the CITY shall notify the ASSOCIATION of its intent prior to such appointments.

Exhibit B

GRIDLEY POLICE DEPARTMENT SUBSTANCE ABUSE POLICY

PURPOSE

This policy provides guidelines for the detection and deterrence of alcohol and drug abuse. It also outlines the responsibilities of management and employees. It is the policy of the Gridley Police Dept. to maintain a safe, healthful, and productive work place for all employees. To that end, the City of Gridley will act to eliminate any substance abuse (alcohol, illegal drugs, and prescription drugs or any other substance which could impair an employee's ability to safely and effectively perform the functions of the particular job) which increases the potential for accidents, absenteeism, substandard performance, poor employee morale, or tends to undermine public confidence in the City's work force. All persons covered by this policy should be aware that violations of the policy may result in discipline, up to and including termination, or in not being hired.

POLICY

It is Department policy that employees shall not report to work under the influence of alcohol or drugs, or have the odor of alcohol or drugs on their breath, possess, sell, or provide drugs or alcohol to any other employee or to any person while such employee is on duty or on call, or have their ability to work impaired as a result of the use of alcohol or drugs.

While use of medically prescribed medications and drugs is not, per se, a violation of this policy, failure by the employee to notify his/her supervisor, before beginning work, when taking medications or drugs which may interfere with the safe and effective performance of duties of operation of city equipment can result in discipline up to and including termination. In the event there is a question regarding an employee's ability to safely and effectively perform assigned duties while using such medication or drugs, clearance from a qualified physician may be required.

The City of Gridley has established a voluntary Employee Assistance Program (EAP) to assist those employees who voluntarily seek help for alcohol or drug problems. Employees should contact their supervisors for additional information.

The Department has the right to conduct searches of all items, such as lunch boxes, purses, cars, tool boxes, and brief cases which are brought onto city property, as well as all items of city property, such as city vehicles, desks and lockers, whenever management deems such searches necessary.

Violations of this policy shall be grounds for disciplinary action up to and including discharge for serious or repeated infractions. Any confirmed indication of drug use shall be grounds for removing an employee from a sensitive position. Any Department member may be removed upon confirmation of illegal drug use. Refusal to submit immediately to an alcohol and/or drug analysis when requested by management or a supervisor will constitute insubordination which alone will form a basis for discipline.

Employees reasonably believed to be under the influence of alcohol or drugs shall be prevented from engaging in further work and may be instructed to wait for a reasonable time until an authorized city representative can transport the employee from the work site.

EMPLOYEE RESPONSIBILITIES

An employee must:

- not report to work or be subject to duty while his/her ability to perform job duties is impaired due to alcohol or drug use, on or off duty;
- not possess or use or have the odor of alcohol or drugs on his/her breath during working hours, on breaks, during meal periods while on city property in an official capacity or while operating any city vehicle;
- not directly or through a third party sell or provide drugs or alcohol to any person or to any other employee while either employee or both employees are on duty, or "on-call";
- submit immediately to reasonable requests for alcohol and/or drug analysis when requested by a supervisor or manager who has reasonable suspicion employee is under the influence;
- notify his/her supervisor, before beginning work, when taking any medications or drugs, prescription or non-prescription, which may interfere with the safe and effective performance of duties or operation of city equipment; and,
- provide within twenty-four (24) hours of request, a current valid prescription for any drug or medication identified when drug screen/analysis is positive. The prescription must be in the employee's name.

MANAGEMENT RESPONSIBILITIES AND GUIDELINES

Managers and supervisors are responsible for consistent enforcement of this policy. Any supervisor who knowingly permits a violation of this policy by employees under his/her direct supervision shall be subject to disciplinary action.

Managers and supervisors may request that an employee submit to a drug and/or alcohol analysis when a manager or supervisor has a reasonable suspicion that an employee is intoxicated or under the influence of drugs or alcohol. "Reasonable suspicion" is a belief based on objective and articulable facts sufficient to lead a reasonable prudent supervisor to suspect that an employee is under the influence of drugs or alcohol so that the employee's ability to perform the functions of the job is impaired or so that the employee's ability to perform his/her job safely is reduced.

The manager or supervisor shall document in writing the facts constituting reasonable suspicion that the employee in question is under the influence of alcohol or drugs. Any manager or supervisor requesting an employee to submit to a drug and/or alcohol analysis shall be responsible for the employee's transport to the designated medical center for administration of the test. Any manager or supervisor encountering an employee who refuses to submit to an alcohol and/or drug analysis shall remind the employee of the requirements and consequences of this policy. An employee shall not be forced to submit to such testing. The manager or supervisor shall be responsible for arranging transportation home for the employee. Managers or supervisors shall not confiscate, without consent, prescription medications from an employee who has a prescription.

PRE-EMPLOYMENT SCREENING

Candidates selected for employment with the Department will be required to submit to a pre-employment physical, therapy evaluation, and a drug and alcohol screening to determine if the candidate is fit to perform the duties of the job for which he/she is applying. All employment applicants for these positions will be informed of the physical and drug/alcohol screening tests in the

job announcements and will be asked to sign a consent form confirming their voluntary participation in these tests as a prerequisite to consideration for employment. A candidate who refuses to submit to any or all of these tests will not be considered for employment with the Gridley Police Department.

A candidate who tests positive for drugs or alcohol will be so informed. The candidate may be allowed to retest. Should the second test also be positive, the candidate will not be considered for that or any other position with the Department.

Should the second test be negative, the candidate will not be disqualified from employment with the Department for drug/alcohol reasons.

FOR CAUSE SCREENING

If a manager or supervisor has a reasonable suspicion based on articulable facts that an employee is unfit to perform the duties of his/her job or is suspected of being under the influence of drugs or alcohol, or that an employee's physical or emotional condition, or drugs or alcohol may be a contributing factor in any work-related accident or injury (hereinafter referred to as a "reasonable suspicion"), the supervisor or manager may direct the employee to submit to a fitness for duty physical examination which may include a physical therapy evaluation, and drug and/or alcohol analysis. In the case of alcohol abuse, an intoxilyzer examination may suffice. Should an intoxilyzer test be administered, the employee may at his/her request have a second test of his/her blood or urine as a back-up.

Should an intoxilyzer test or a fitness for duty exam conclude that an employee is not fit for duty, the employee shall be notified, and the Chief of Police shall be notified at the earliest possible time.

EMPLOYEE DISCIPLINE

The following shall be grounds for discipline:

- An employee who is directed to submit to an intoxilyzer test or fitness for duty examination and willfully refuses or fails to do so.
- An employee refuses to comply with the requests or instructions of the examining physician or person administering the intoxilyzer test.
- An employee tests positive for drugs and/or alcohol on the initial test and/or secondary tests administered.
- An employee was on duty when he/she knew or should have known that he/she was unfit for duty.
- Unlawful possession, distribution, dispensing or manufacturing of controlled substances on duty or within the workplace.

The discipline to be imposed shall depend upon the totality of the circumstances surrounding the violation. Consideration shall be given to the following factors among others:

- Previous discipline.
- The nature and severity of the offense.
- Employee culpability.
- Entry into and successful participation in a rehabilitation program.

The discipline to be imposed may range from reprimand to termination. Unless other circumstances exist that in the opinion of the Department, makes it inappropriate, an employee who has used or been

under the influence of drugs or alcohol may be permitted to participate in a rehabilitation program and be permitted to return to work in accordance with the procedures outlined in the return to work agreement.

RETURN TO WORK AGREEMENT

If one of the grounds for disciplinary action was the use of or being under the influence of drugs or alcohol, the City may require the employee, as a condition of continued employment, to enter into a Return to Work Agreement. The Return to Work Agreement will provide for the protection of the employee's job, provided that:

- the employee enters a drug or alcohol rehabilitation program acceptable to both the City and the employee;
- the employee successfully completes the program within the prescribed time;
- the employee complies with all conditions and directives of the program, including periodic drug testing if applicable;
- and such other provisions as may be agreed upon by the City and the employee.

Failure of the employee to strictly comply with all the terms and conditions of the Return to Work Agreement shall be grounds for termination of employment, or a lesser sanction at the discretion of the City.

TESTING PROCEDURES

Testing for drugs shall be carried out in accordance with guidelines established by the National Institute on Drug Abuse. Testing for alcohol shall be carried out in accordance with the regulations governing forensic alcohol testing in the State of California. These procedures shall provide for confidentiality and integrity of the process to the greatest extent feasible.

CONFIDENTIALITY OF TEST RESULTS

All test results will be kept separate from the employee's personnel file and become part of, but separate from, the employee's normal medical records. The information in this file will only be provided on a strict need-to-know basis and will not be released to any outside agency.

RETURN TO WORK AGREEMENT
