Commercial	minimum	Note 2 & 3	\$ 1,201	746.01	1,955.54
Industrial	cost	Note 4			

**Explanation of Notes:**

- Note 1: Residential services include single family homes, planned unit developments, mobile homes and any other residential use.
- Note 2: All three fees are minimums with actual costs determined by the City Engineer and/or Building Inspector. The actual fee is the greater of the minimum base or the actual cost.
- Note 3: Commercial services add a fee in addition to the Title 14 fees \$18.79 per fixture unit as determined by the City's Engineer, Public Works Director or Building Inspector. Applies to the Capacity and Distribution fee components but not the Connection fee.
- Note 4: Cost determined by the City's Engineer and/or Building Inspector.
- Note 5: Fees for connections that are multi-type (i.e.: for example: multi-family combined with commercial) will be determined by the City's Engineer, Public Works Director or Building Inspector.
- Note 6: Connection fee is based on meter size: The stated fee is for a 1" meter.  
 Fees for meters greater than 1" are as follows:
 

1 ½"	<b>\$2,341.05</b>
2"	<b>2,701.56</b>

 Meters greater than 2" are charged the 2" meter fee plus the incremental cost of the installation of the larger meter as determined by the City's Engineer, Public Works Director or Building Inspector.
- Note 7: Capacity fees are superseded by Development Impact Fees – Title 14 For residential and commercial fees.

**TITLE 15. BUILDINGS and CONSTRUCTION**

GENERAL PROVISIONS Effective August 1, 2017, the City of Gridley City Council contracted with the County of Butte to provide inspections services within the City of Gridley. Butte County establishes Building Permit Fees in compliance with State laws.

A. PLAN REVIEW AND ADMINISTRATIVE FEES

1. Preliminary Plan Review Fee - This review is cursory and should not be interpreted as a full review. Preliminary plan reviews may be submitted for properties located outside the City limits for which annexation is being considered.

Fee – Actual costs, including administrative costs and overhead, incurred by City as permitted by law.

2. Plan Review Fees – This fee applies to one full review and one full re-review of building plans submitted as part of a permit application. Plans requiring review beyond a second submittal, that are incomplete, altered or unusual, may require additional review. Additional plan review fees, based on the hourly rate, may be charged by the City when necessary to cover costs to the City.

Fee – Actual costs, including administrative costs and overhead, incurred by City as permitted by law.

3. Plan Archival and Retention Fee

Fee – Actual costs, including administrative costs and overhead, incurred by City as permitted by law.

4. Energy Plan Review Fee

Fee – Actual costs, including administrative costs and overhead, incurred by City as permitted by law.

5. Residential Building Report – Staff preparation of building file summary at request of owner.

**TITLE 16. SUBDIVISIONS and OTHER LOT BOUNDARY CHANGES**

Filing Fees and Deposits

For those applications requiring payment of a filing fee, such fee is assumed to cover all processing costs except in extraordinary cases. When an application requires payment of a deposit, the applicant is responsible for payment of all costs related to processing. Depending on the actual costs, additional payment may be required or excess funds refunded.

Environmental Review

The fee depends upon whether the project is exempt from CEQA (California Environmental Quality Act) or has the potential to result in impacts to the environment. A separate fee of \$50 (payable to Butte County) for all applications requiring environmental review is required by the County of Butte for the filing fee of environmental documents. For those projects which are not exempt and which are determined to have an impact on fish and wildlife or their habitat, an additional fee will be required.
