# City of Gridley

To: Mayor Hall and City Councilmembers
From: Paul Eckert, City Administrator
Subject: City Services Weekly Update

Date: July 5, 2017

Thank you for your leadership and dedication to the Gridley community!

This Weekly Update is intended to provide useful and timely updates to the Gridley Community, Visitors, our Elected Officials, and our City Coworkers. We regret if we have inadvertently omitted useful items from this report. As always, your input and guidance are appreciated. Please send any response to me directly and do not "copy all."

## City Administrator/City Council/Information Technology

Compliance with California's Renewables Portfolio Standards (RPS) – For the first time, the Gridley Electric Utility is in full compliance (Year 2016) with the State's RPS requirements. Established in 2002, the RPS Program requires electric service providers to increase procurement from eligible renewable energy resources to 33% of total procurement by 2020. The California Public Utilities

Commission (CPUC) implements and administers RPS compliance. RPS requires the increased production of energy from renewable energy sources, such as wind, solar, biomass, and geothermal. California Senate Bill 350 passed in October 2015 requires retail sellers and publicly owned utilities to procure 50% of their electricity from eligible renewable energy resources by 2030. The table

California RPS Compliance Periods	Procurement Quantity Requirement =
Compliance Period 1 (2011 - 2013)	2011 retail sales * 20.0% + 2012 retail sales * 20.0% + 2013 retail sales * 20.0%
Compliance Period 2 (2014 - 2016)	2014 retail sales * 21.7% + 2015 retail sales * 23.3% + 2016 retail sales * 25.0%
Compliance Period 3 (2017 - 2020)	2017 retail sales * 27.0% + 2018 retail sales * 29.0% + 2019 retail sales * 31.0% + 2020 retail sales * 33.0%
Year 2021, and each year thereafter	Annual retail sales * 33.0%

below outlines the City of Gridley RPS forecast based upon our existing Renewable Contracts (in MWh). The City will need to take very deliberate action to comply with the increasing RPS requirements.

	2016	2017	2018	2019	2020
Estimated Retail Sales (MWh)	33,097	34,018	34,439	34,538	34,681
RECs Generated	3547	6,493	7,403	8,288	8,972
RECs Required	2054	2,003	1,981	1,971	1,961
Difference	1493	4,490	5,422	6,317	7,011
Accumulated Differences	708	(3,782)	(9,204)	(15,521)	(22,531)

- Police Service Agreement for services provided to the City of Biggs The City of Biggs is currently reviewing our proposed contract. The nearly 8 month long Police Services Agreement negotiations are expected to conclude in the next month. The current agreement expired two years ago.
- Electric Maintenance Services Agreement The City of Gridley provides the City of Biggs Electric
  Maintenance Services by contract. Gridley and Biggs last met on April 4, 2017. Gridley is currently
  waiting for a follow-up response from Biggs regarding potential contract changes and more
  urgently, Gridley is waiting for Biggs to provide Gridley the delinquent payment of \$168,898. At the
  current time, Gridley residents are subsidizing Biggs residents.
- Lodi Energy Center The Solicitation for Offers to purchase Gridley's excess electric energy has yielded three responses as of June 30<sup>th</sup>. Responses will be reviewed over the next 30 days.

## **Economic Development**

- The City Administrator recently met again with Butte County area Economic Development staff and continues to meet weekly with local retailers and business leaders. We will meet with legislators in mid-July.
- City Industrial Park The City is working on Realtor options to market and sell Parcel 2 located in the Industrial Park. We will keep the City Council informed of our progress.
- Business Retention, Expansion, and Attraction (BREA) Program Staff is developing the BREA Program for Council consideration. In the meantime, City staff continues to meet with businesses weekly.

#### **Finance**

- The Finance Department is very busy with: development of the final Council Approved Budget and Capital Improvement Plan documents; a wide array of grant responsibilities; employee payroll and benefits issues; financial year end closing; initial stages of preparation for the annual audit and onsite work; and organization of all work areas and file systems.
- Customer Service The Finance Department continues to strive to effectively meet the needs of our customers and provide excellent customer service at all times.
- The new City Transit vehicle has been received and is being outfitted for operations to start in late July. The Ridership Report is provided below:

#### Electric

- Biggs Substation yearly maintenance was completed this week. The Crews and our City Electrical
  Engineer performed the following during the inspection: Testing Relays; Checking setting on the
  Relay; Cleaning Cabinets and breakers; High pot breakers; Checking resistance on all breakers; TTR
  test on transformer; Adding new oil in the LTC; Cleaning all glass insulators; Cleaning SW#13 and
  checking the resistance of the switch: Battery clean and test; and Infrared of the system.
- Gridley Electric Maintenance Crews switched over Biggs normal 60KV to PG@E back up power. The switch over was on Sunday, June 25<sup>th</sup>. The outage lasted 17 minutes.
- Gridley Electric Maintenance Crews switched Biggs 12 KV back-up from PG@E back to normal 60 KV. The switch over was on Tuesday, June 27<sup>th</sup>. The outage lasted 15 minutes.
- Sample Listing of Service Calls Our On-Call Crews were dispatched to a partial power at 965 Laurel Street. The customer's main breaker was defective. The breaker was replaced and power was restored; Customer at 826 Vermont called into City Hall about a partial power issue. The Crews found a bad fuse box on the customer's side of the meter; Service was re-connected at 3105 Ninth Street in Biggs; service was disconnected at 1143 Cedar Street; and the Director responded to a breaker tripping at Daddow Park. The users were using too much

- The Electric Crews continued tree trimming including the area around the Biggs 60 KV line and removed a tree at 490 Spruce Street. The efforts are part of our yearly Maintenance Program.
- Electric Utility Inventory was completed.
- Collaboration with Butte County Fairgrounds The City is partnering with the Fairgrounds to replace aged and unsafe electric systems. City Electric Crews have begun the Fairground Electric Main Replacement Project. The current Phase will include the installation of 3 Runs of 150ft. 4" Conduit; Installation of a Transformer Pad; and installation of the new 300 KVA 208/120 Transformer and a 167KVA 240/120 Transformer. The County Fairgrounds are primarily funding the project with grant funds. Phase 2 of the Project moved forward this week with the help of Public Works. Five utility lines were exposed using the Vac-Truck helping to avoid damages to utility lines.
- City Hall Work Electric Crews installed new lights in the City Hall elevator avoiding in excess of \$1,000 in charges from the Elevator contractor.

## Fire

- Gridley Fire conducted our initial drill to calculate available uninterrupted water supply using water tender shuttle evolutions. The purpose of the drill was to determine water flow availability in areas without a fixed water source, such as hydrants
- Gridley Fire continued updating our emergency preplans for businesses within Gridley. The purpose of these preplans is for our Fire Fighters to gain specific knowledge of the layout of each building. Fire Fighters also document the hazards, if any, in the buildings that would come into play in case of an emergency or fire.
- Gridley Engine 376 came back from the annual inspections and maintenance updates and is ready to be utilized for the fire season ahead.

#### **Police**

- Animal Control (AC) personnel are currently active with the renewal of dog licenses in Gridley. AC
  continues to provide proactive patrol and compassion for lost/stray animals.
- Police Patrol was active in both communities of Gridley and Biggs. The Department served several local arrest warrants during the week.
- The Gridley-Biggs Police Department's "Kudos for Kids" campaign continues with six vouchers given to "kids" in our service communities of Gridley and Biggs. Please see the Police Department's Facebook page for recipient's photos! The campaign involves Police Officers giving out vouchers to Kids for their positive actions, such as wearing a bicycle helmet, obeying traffic laws, acts of kindness and good conduct when observed. The recipients of the vouchers can redeem them at the Gridley-Biggs Police Department lobby for a FREE Otter Pop!
- Police Department personnel participated in the Butte County Anti-Gang Enforcement mutual aid deployment in Oroville. Various Butte County law enforcement agencies partnered on June 30<sup>th</sup> to proactively check parolee and probationer compliance with gang conditions and terms.
- Police Administration attended Federal Equitable Sharing training. This training assists the
  Department in responsibly and effectively accounting for and filing asset seizure and recovery
  reports with the United States Department of Justice.
- The Department continues in its goal to provide quality service in all aspects of public safety to the citizens we serve. The May 2017 statistics are provided below:
